to something like the extent it deserves. Ther are thousands of families in our Church still without this messenger of good tidings. It cannot but aid the minister in his work, and the parent i training a family. We respectfully urge, therefore that the Paper be brought under the notice of our people at once. Speak of it in the Prayer or Class meeting; and commend it from the Pulpit. It announces every good object for the Church : let the Church reciprocate, and thus increase its own influ ence. We will publish from time to time the names of persons sending us new subscribers and their success. Come, Brethren, help!

Here is a chance for making up a Library. Ministers who cannot themselves attend to the Canvas will do us a great favour by placing it in hands of some competent person.

Beligious Miscellany,

THY WILL BE DONE.

BY JOHN G. WHITTIER.

We see not, know not. All the way Is night. With thee alone is day. From out the torrent's troubled drift Above the storm—one prayer we lift Thy v ill be done!

The flesh may fail, the heart may faint, But who are we to make complaint, Or dare to plead in times like these The weakness of our love of ease? Thy will be done!

We take with solemn thankfulness Our burden up, nor ask it less : And count it joy that even we May suffer, serve or wait for thee ; Thy will be done !

Though dim, as vet, in tint and line We trace thy picture's wise design, And thank thee that our age supplies Its dark relief of sacrifice-

And if in our unworthness Thy sacrificial wine we press If from thy ordeal's leated bars. Our feet are seamed with heated scars

Thy will be done ! If for the age to come this hour Of trial hath vicarious power; And, blessed by thee, our present pain Be liberty's eternal gain

Thy will be done Strike-thou the Master, we the keys-The anthem of the destinies The minor of the loftier strain Our hearts shall breathe the old refrain-Thy will be done!

THE SECRET OF THE POWER OF

One of the most notable addresses before the recent National Council of Congregational Churches, at New Haven, was that of Rev. W. H. H. Murray, of Boston, on the question, preached to the masses?" In the course of his

remarks we find the following eloquent tribute and love-feasts; we would we might add as continued to sing for an hour, during which Half Hours with Best to Methodism: We have seen in this country and in our own meetings also. Above all, let us go often to ed with glory, trying in vain to speak. age a great denomination, in force and efficigrow up and evolve its power before our rekindle our experience by reading the best reeyes; the prime and motive power of its success being the preaching of the Gospel and the transforming power of his Spirit to fall on our your hand." He raised his hand as if voting interpretation of God to human hearts, not in harmony with literary finish nor with theologilearning power of his spirit to tail on our your hand." He raised his hand as if voting at a Conference, and held it up until the ebbing church of Scotland Synod Union was carried by a vote of twenty-sixth to seven. The minor that the conference of the spirit to tail on our your hand." He raised his hand as if voting at a Conference, and the "Webselves, on the Church of Scotland Synod Union was carried by a vote of twenty-sixth to seven. The minor that the conference of the spirit to tail on our your hand."

ments it was still, and the soul had rest in the ity will not resort to extreme measures. A fine bosom of the Saviour of mankind .- Christian spirit pervades the whole Synod. A conference of the two Synod's was held this forenoon. The Synod of the Presbyterian Church of the Lower Provinces marched in a body to St. Andrew's Church where the Church of Scotland The Synod of the Presbyterian Church of Synod was sitting. An hour was spent i prayer, praise and short speeches, and appropriate resolutions were adopted. The meeting was exceedingly happy. The Synods will close pointed after full conference with Churches After arranging the hour of meeting and the the Upper Provinces. -Pres. Witness.

"BROTHER MOODY."

The same correspondent who has furnished burrying of their feet, preaching as they ran, how to work for Jesus, and I love to work for devotional exercises the returns on Union were Charles T. Collins,) gives this interesting description of Mr. Moody himselt :-An analysis of Mr. Moody's power over the Scottish people is no easy matter. To say that test that could be devised by practical men, it his power lies is his reputation is no solution. takes the leading position. We hope that we have power lies greatly in the force of novelty may see other manufactured goods, as well as The Report of the Commission to Harvey —style, language, argument are all novel. The Scots have not been Gospel hardened to such and now the various manufactures he re are bepreaching, and it storms them where the defences of sin are weak. But this power convalue and interests of our shows and exhibitions and exhibitions of grace as he felt to be desirable, yet in private conversation he frequently sists not merely in the fresh garb of his thought tions, both Provincial and local, we would rethe thought itself springs out of a revival, mind the Societies that it would be well if as death, which he felt must soon come to him. real, fresh apprehension of Christian truth by much pains were taken in the selection of the We cheerfully accept this statement as a comprehensive and substantially correct account of the rationals of our grand success, and, indeed, as a remarkably just and appreciative outside view of the heart of Methodism. If we were disposed to criticise it we might five as a though every word was a tell word of God. To earnestness and personal magnetism he joins a wonderful insight solution. Let the public of the community labored in early time, and the public would not only get the benefit of it, but a much larger display of at the community labored in early time, and the public would not only get the benefit of it, but a much larger display of and the public of of the community labored in early time, and the public w him to sway all who labor with him. Where he awarded without fear or favor, whether it be Rev. N. Now, whe we consider the matter locally, our readers will be greatly pleased with the result, as th "Webster" is manufactured in this city by the Canada Sewing Company. Their machine has already established a reputation all over the Dominion of Canada, and, although comparatively unknown in England, it enters its lists against all others, foreign and domestic, that have been known there for years as first class machines. From its superiority, after every
