

Bay of Cinq Isles. The Bay of *Cinq Isles* lies to the Southward of the North Bay; and opposite to *Lally Cove Head* there is tolerable good Anchorage for large Ships on the S. W. Side of the Islands in the Bottom of the Bay. The North Arm is a very snug Place for small Vessels; at the Head of this Arm is a Salmon River.

Corben Bay. A little to the Southward of the Bay of *Cinque Isles* is *Corben Bay*, wherein is good Anchorage for any Ships in 22 or 24 Fathom Water.

Bell and Dog Islands. South-East about two Miles from *Lally Cove Head*, are two Islands about a Mile from each other; the North-eastermost is called *Bell Island*; and the other *Dog Island*; they are of a tolerable Height, and bold too all round.

Between *Dog Island* and *Lord and Lady Island*, which lies off the South Point of *Corben Bay*, is a sunken Rock, (somewhat nearer to *Lord and Lady*, than *Dog Island*) whereon the Sea breaks in very bad Weather, and every where round it very deep Water. About a Quarter of a Mile to the Northward of the North End of *Lord and Lady Island*, is a Rock that appears at low Water.

BandedeL'arier Bay and Harbour. *Bande de L'arier* Bay lies on the West Point of *Bell Bay*, and N. N. W. half W. near 3 Leagues from *Point Enragee*, it may be known by a very high Mountain over the Bay, which rises almost perpendicular from the Sea, called *Iron Head*. *Chapel Island*, which forms the East Side of the Bay, is high Land also. The Harbour lies on the West Side of the Bay, just within the Point, formed by a narrow low Beach; it is very small, but a snug Place, and conveniently situated for the *Cod Fishery*. There is a tolerable good Anchorage along the West Side of the Bay, from the Harbour up towards *Iron Head* in 18 and 20 Fathom Water.

BandedeL'arier Bank. The Bank of *Bande de L'arier*, whereon is no less than 7 Fathom, lies with the Beach of *Bande de L'arier* Harbour, just open of the West Point of the Bay, and *Boxy Point* on with the North End of *St. Jaques Island*.

St. Jaques. Two Miles to the Westward of *Bande de L'arier*, is the Harbour of *St. Jaques*, which may be easily known by the Island before it. This Island is high at each End, and low in the Middle, and at a Distance looks like two Islands, it lies N. 30d E. 8 and a half Leagues from the Cape of *Grand Bank*, and N. E. by E. 7 Leagues from the East End of *Brunet*. The Passage into the Harbour is on the West Side of the Island; there is not the least Danger in going in, or in any Part of the Harbour; you may anchor in any Depth from 17 to 4 Fathom.

Blue Pinion. Two Miles to the Westward of *St. Jaques* is the Harbour of *Blue Pinion*; it is not near so large, or so safe as that of *St. Jaques*; near to the Head of the Harbour, on the West Side, is a Shoal, whereon is two Fathom at Low Water.

English Cove. A little to the Westward of *Blue Pinion* is *English Cove*, which is very small, wherein small Vessels and Boats can anchor; before it, and very near the Shore, is a small Island.
