WOODY WOODY For the first time this season the University of New Bruns-wick Red Devils hustled, back-checked, and played as a team. The Devils finished plays around their opponents' net while making very few mis-takes in front of their own. Seven Devils scored to humili-ate the Mount Allison Moun-ties 7-1.

Late in the period, Oke, Stairs and Cain broke over the blue line, Oke passed to Stairs who pulled the defence out and flipped the puck to Doug Cain. Cain, making no mistakes, faked the shot to the low righthand corn-er, then fired it into the open left corner. Mount A narrowed the score

Lawrence partially block-ed the drive but was unable to control the puck as it went across the goal line. Two min-utes later, Darrel LeBlanc scored the picture goal of the evening. Grant put LeBlanc in front of the net with only a defence man between Darrel and Lawrence. LeBlanc faked, took Thompson out of the play and went in all alone on Law-

The tight Raider team de-fence and the offensive per-formance of Labonte and MacAleenan won the game in the last half ... Fort Kent had too much power for the Raid-ers who were missing their team captain, Baber and Jones also sat out most of this game .... The JVs came through with two victories over the week-end . . they edged the Grads 70-62 and beat Mt. A. JVs 63-36. They are currently 2-0 in New Brunswick Conference... The Cheerleaders and Major-

The reloader enables members to produce shells for less than half local prices. The formation of a trap team is our spring objective as the Freder-icton Skeet Club has offered us free use of their range until a range for the club is obtain-ed. We are quite optimistic and consider the proposed matches "in the bag" if we can hit the number they miss. Again, this year, the club has

The cat in milk and water soaks,

And then in 12 short years it croaks;

The modest, sober, bone dry hen

Lays eggs for nogs, then dies at ten.

But sinful, ginful, beer soaked men

Survive for three score years and ten.
