Sir:-

I beg to draw your attention to the  
Lestock, surveyed by your Department in the North  
quarter of Section 6, Township 27, Range 14, West  
2nd meridian, being situated within the limits of an  
Indian reserve.

I understand that Mr. G. M. Atkinson of  
Wynot, Sask., has had correspondence with your Department  
regarding proper road connections to connect with this  
townsite and to give the Public access thereto.

I have a copy of a letter signed by J. D. Mc
