Sir,

I have the honor to forward herewith for the information of the Department copy of a letter dated 9th instant from Mr. Agent Irwin attaching a clipping from the Kamloops Sentinel concerning a murder which took place a few days ago at Adams Lake village whereby an Indian named Martin Andrew killed an other Indian named Billy Jules. Likewise please find clipping from today's Victoria Colonist from which it will be seen that Andrew has been taken into custody together with 4 other Indians who were concerned and two white men who it appears supplied the liquor which caused the trouble.

Your obedient servant,

Howe
Supt. of Indian Affairs, B.C.
