Dear Miss Roy:

I intended writing before this to thank you for your very kind letter of the 23rd ult. I would have done so, had I not been too busy during the last days of the campaign, to write any letters, and had I not been called away rather unexpectedly a few days after.

I assure you that I am most thankful for your kindness in writing me. Your words were a great encouragement to me during the contest, and I am very grateful for all that you have said.

I received this morning your letter written in German. It will give me pleasure to comply with the small request which it contains, but before doing so, perhaps you would let me know your house address, as I am not altogether sure whether a letter addressed as this one will be--simply to Berlin--will reach you. When you receive this note I would be glad if you would send me a line to the Welper House. I expect to be there on Thursday or Friday of this week.

With renewed thanks for your good wishes, and the generous interest you have
