Ottawa, May 17, 1910.

Rev. Sir,

After making your annuity payments during the coming summer you will be good enough to report fully upon your return on the condition and equipment of day school buildings and also upon the general character of the work being performed by the teachers. In some instances the schools may be closed, but it will perhaps be possible for you to gather from other sources the necessary information to make satisfactory reports.

Your obedient servant,

  
Secretary.

Rev. J. Semmens,  
Inspector of Indian Agencies,
