Sir-

I have to acknowledge the receipt of your letter of the 17th ultimo, enclosing a letter from Hauvrie Fortin, a settler of the Township of Duvalstonau who wishes to know if he can obtain a fishing license for that portion of the waters of the Duvalstonau River which runs through the Township of Duvalstonau and in reply I have to inform you that no license could issue except with the consent of the Indians and then it would have to be issued on the most advantageous terms possible.

L.E. Mac, Esq.

Indian Agent

Pointe Bleue.
