OTTAWA, 26th November, 1903.

137-39

Sir,

I have to acknowledge the receipt of your letter of the 14th instant enclosing a requisition from the Principal of the Rupert's Land Industrial school for 43 suits of boys clothing with an extra pair of trousers for each suit, together with a list of measurements and a sample of material. In reply I beg to inform you that before ordering the clothing, the Department wishes to know what has become of the fifty suits sent this school in August last. Is it proposed to use this uniform for working suits?

I have the honor to be, Sir,
Your obedient servant

Acting Deputy Superintendent General
of Indian Affairs.

Winnipeg,
