OFFICE OF THE HIGH COMMISSIONER
FOR THE UNITED KINGDOM
OTTAWA.

537/120.

1st October, 1940.

Dear Dr. Skelton,

I have been informed that Count Serge Fleury is shortly to visit Canada to speak at meetings of the Canadian Institute of International Affairs.

The High Commissioner feels that in this connection, you should know that Count Fleury is attached to the new French Ambassador at Washington in a private or semi-official capacity and is therefore to be regarded as an agent of the Vichy Government.

Yours sincerely,

W.C. Hankinson.

Dr. O.D. Skelton,

Under-Secretary of State for External Affairs,
OTTAWA.
