

Throughout the evening did I hear
anyone call me. S/SGT Re Fenore
did not enter the Salvage tent while
I was there.

Cr. Ex.

Afte. my supper - it would have been between
1830 and 1900 hrs when I went to the
Salvage tent. Up until 2000 hrs I was
in the Salvage tent all the time. I did
not hear S/SGT Re Fenore at any time
while I was there. I don't believe he ever
went there.
