Ministers of the Gospel

USE

OXYDONOR

After Sunday's Exhaustive Work.

REV. HENRY L. PHILLIPS, Rector of Crucifixion Protestant Church Philadelphia, 1122 Lombard St., writes October 21st, 1899:

"For colds and Rheumatism I find Oxydonor a most helpful servant. Have used it successfully in my family. As a tonic after Sunday's hard work it is simply invaluable."

REV. R. R. ALBIN, Pastor Cavalry Baptist Church, Shenandoah, Pa., writes November 17th, 1899:

"Oxydonor wonderfully relieved me of Neuralgia, and I found it very helpful in Rheumatism."

Also found Oxydonor very helpful after my Sunday's work as a preacher, by using it on that night, so that Monday morning found me refreshed. Would advise all ministers to try Oxydonor.

General Debility, Colds.

ST. ANDREWS HOME.

(Church of England),
REV. J. FREDERICK RENAUD,
 Secretary and Immigration Chaplain,
 46 Belmont Park.

Montreal, Nov. 30, 1899.

To whom it may concern:—I have great pleasure in bearing testimony to the efficacy of Oxydonor No. 2, invented by Dr. H. Sanche.

I have personally used the instrument and also members of my family, and can bear testimony to the relief it gave in cases of General Debility, Colds and Lassitude.

Fortunately I have had no cause to test it in the case of Fevers, but intend doing so, when opportunity arises in my parish.

REV. J. FREDERICK RENAUD.

Oxydonor supplies the vital energy which prompts and supports the highest effort and renders possible grand mental results.

Oxydonor, in short, is life. It is a simply instrument, which compels the body to absorb large quantities of healing, health-giving Oxygen from the air through the lungs, membranes and skin, thus transforming diseases into health and vigorous life.

Oxydonor will keep a family in good health, and with ordinary care it lasts a lifetime, and saves the ruinous costs of sickness. Full instructions with each one.

We have thousands of reports of cures from clergymen, doctors, lawyers, bankers and prominent men and women from all parts of the country. We will mail our books free to any address sent us.

Letters asking for further information will receive prompt reply.

CAUTION:—Beware of Supurious imitations. Look closely for the Inventor's name, "Dr. H. Sanche," which is plainly stamped on the genuine.
