The African Missions of the White Fathers

A Happy New Year!

THIS is the wish we send with all our hearts to our Subscribers, Benefactors, and devoted Friends and Helpers. We pray that the Master of Apostles may shed upon them and their families His most abundant blessings in this life, and may bestow upon them in the other world the recompense of the Apostles, according to his infallible promise that **he who aids the Apostle will receive the same reward as the Apostle.**

With the first number of 1911, the monthly Bulletin of the *African Missions* enters its third year, and we feel it our duty to express our deep gratitude for the generous help of our faithful subscribers. After God from whom all blessings flow, it is to their charity that the Bulletin owes its growth and prosperity. We hope they will continue their sympathy and their alms. There are many, no doubt, who will be able and willing to gain new subscribers for us during the coming year. To all we say in advance, and repeat most sincerely: **Thank you!**
