**TENDERS**

will be received by the undersigned until APRIL 15th next for the lighting of the Village of Millbrook by electricity.

Further information on application. The village reserves the right to reject any or all tenders.

WALTER W. GILLOTT, Clerk.

**Notice to Contractors**

Tenders will be received at the office of the undersigned, for all trades, for the erection and completion of a Sunday School Building for St. Matthew's Church, First Avenue. Tenders to be in by 12 o'clock SATURDAY, MARCH 23rd. No tender necessarily accepted.

SYMONS & RAE, Architects,  
15 Toronto Street, Toronto.

**WATER WORKS  
NEW LISKEARD, ONT.**

The time for receiving sealed tenders for Cast Iron Pipe, Steel Stand Pipe, Pumps and Motors for the Water Works System for the town of New Liskeard has been extended to 8 o'clock p.m. on TUESDAY, MARCH 26th, 1907.

The above tenders will be received by Sinclair & Smith, Engineers, New Liskeard, Ont.

By order of Town Council.  
SINCLAIR & SMITH, Engineers,  
New Liskeard, Ont.

**Tenders Wanted**

Sealed Tenders, addressed to the undersigned and endorsed "Tender for Pump," will be received up until twelve o'clock, noon, on TUESDAY, THE NINTH DAY OF APRIL, 1907, for furnishing, erecting and connecting complete, including foundations and all other work and materials necessary to the installation in running order, of a new pump in the Amherstburg Waterworks, capable of raising water from a depth of 15 feet in the well, and delivering 800 Imperial gallons per minute into a 10 inch main, against a hydraulic pressure of 120 pounds, with a steam boiler pressure not exceeding 80 pounds per square inch, the said pump to be of the latest pattern of its type, and to have all the modern improvements and attachments; said tenders to also include the repairing and placing in perfect working order of the compound, direct acting, duplex pumping engine of the above capacity, now in use in the said waterworks.

The said new pump may be either, and alternative propositions will be received for:  
First—A compound, direct acting, duplex pump.  
Second—A fly-wheel pump.  
Third—A turbine pump.

No tenders necessarily accepted.  
For further particulars apply to

J. H. C. LEGGATT, Town Clerk,  
Amherstburg, Ontario.

**NOTICE TO CONTRACTORS**

Tenders will be received by registered post only, addressed to the Chairman of the Board of Control, City Hall, Toronto, up to noon on TUESDAY, MARCH 26th, 1907, for the construction and erection of a

**STEEL TANK**

at the Main Pumping Station, for the high pressure fire service.  
Envelopes containing tenders must be plainly marked on the outside as to contents.

Specifications and forms of tender may be obtained at the office of the City Engineer, Toronto, upon application.

The usual conditions relating to tendering as prescribed by city by-law must be strictly complied with. The lowest or any tender not necessarily accepted.

E. COATSWORTH (Mayor),  
Chairman Board of Control,  
City Hall, Toronto, March 11, 1907.

**CITY OF REGINA  
GRANOLITHIC SIDEWALKS  
AND CURBS.**

The City Clerk will receive sealed tenders, marked "Tenders for Granolithic Sidewalks", on behalf of the Corporation of the City of Regina, up to and inclusive of TUESDAY, 20th APRIL, 1907, until 5 o'clock p.m., for the construction of about 185,000 square feet of Granolithic Sidewalks to be laid down in the City of Regina.

He will also receive sealed tenders, marked "Tenders for Curb and Gutter", on behalf of the said Corporation, on the same date and at the same time, for the construction of about 8,000 lineal feet of straight curb and 22,000 lineal feet of combined curb and gutter to be laid down in the City of Regina.

Each tender must be accompanied by a certified cheque, payable to the order of the City of Regina, for five per cent. of the amount tendered for.

The lowest or any tender not necessarily accepted.

ANGUS SMITH, J. KELSO HUNTER,  
City Engineer, City Clerk,  
Regina, Sask., 14th March, 1907.
