

Is Your Estate Properly Protected?

No matter how little or how much you own, these possessions make up your estate, and should be protected by efficient and economical management.

This can best be done by an Executor or Trustee.

This Company, by acting in this capacity, will give your estate the benefit of experience gained in the management of many estates, of large and of only moderate size, and will scrupulously guard the interests of your heirs.

No charge for drawing up your will when the Sterling Trusts Corporation is appointed your Executor and Trustee.

Our officers will give you further information on request.

INVEST IN RUBBER Plantation Companies' Shares

A Montreal Investor writes:—

"I was planting in Ceylon for several years, and have an intimate knowledge of Plantation Rubbers, and am a considerable shareholder in several properties. . . . I have the greatest faith in rubber shares as an investment. . . . My shares brought me in over 13% net all over last year on the original sum invested."

Another client writes:—

"I am a large holder of shares . . . and have had an Eastern experience, and now is certainly a great opportunity. . . . I am willing to purchase another 350 to 500 shares."
