MONTREAL.****Mercantile Summary.**THREE Winnipeg coal dealers have been
detected in giving short weight.THERE are only nine States in the Union
where the postal receipts exceed the expendi-
ture.It is proposed to form a joint stock com-
pany to operate the oil finds of the Kootenay
district, B.C.THE Drury Cove Lime Co., at Drury Cove,
N.B., expects to manufacture about 75,000
barrels of lime this year.HAMACHER & NAPE have purchased the prop-
erty of the Preston Carriage Co. for 55c. on
the dollar. They will continue the business"POSTABLE" is a word lately devised in
England to denote any airy trifle weighing
less than four pounds, and therefore capable
of being sent by post.A VANCOUVER paper says that passengers
from the upper country report that the snow
is beginning to go slowly but surely, and that
an early spring is looked forward to.It appears to the St. John, N.B., *Globe* as
if the herring fishery this year will be a total
failure. Not one has yet "struck in." Lob-
sters, however, are reported plentiful, and are
said to be very fat.J. B. MOXLEY was a farmers' implement deal-
er at Escott, Ont., who began a general store,
three years ago. His success has always been
regarded as problematical. Recently judg-
ments began to be recorded against him, and
he is now in the assignee's hands.IN Vancouver potatoes are worth \$40 a ton
wholesale, and are retailed at \$3 per sack in
some instances. "There is a dearth of this
commodity," says the *World*, "not only in
this province, but on the Sound, where they
are in great demand at figures in excess of
those paid here."**CLEARING SALE!****J. GOVINLOCK & CO.,**Will dispose of their Entire Stock
of FURS, ROBES, COATS, &c., to
close up that branch of their busi-
ness, at from Ten per Cent. to
Twenty per Cent. discount, accord-
ing to amount of purchase.
