REMOVING WAR MATERIAL

By Courier Leased Wire Amsterdam, Oct. 21.—German forces at Brussels are working incessantly to remove war material from that city, according to the Rosenwald correspondent of the Handelsblad. He says that many regiments of German troops are leaving the city and that there is no doubt that the removal is proceeding. On the other hand Antwerp is very calm and has not been affected by recent events.

The same newspaper's correspondent at Boermond says that hundreds of refugees from northern France are arriving there. These people, who are of all ages, have been on the road for three weeks. They were given only two hours' notice to collect their belongings by German officers at Douai, Cambrai and other cities in the war zone.

Great Ireland Coal Fields.

Which Kind of Parlor?

The building trade today is largely using methods in use in the days of the Pharaohs, said the principal architect of the office of works, at the Royal Sanitary Institute in England recently. "The parlor question," he went on, "is a difficult one. Some people prefer one large, pleasant room to a poky living room and small parlor. Others urge that the parlor is necessary for children to do their lessons in, to accommodate the piano and household goods, and also the coffin in the event of a death in the family."
