CANNING

September 4th. - Everyone looks dreary this week. There is no band for our band boys are warriors too, and are busy playing at arms. It is now growing to be quite the fashion to have the band on all occasions. Like everything else it is doomed to death for a time. We hope our boys will continue to deserve the good name which they had at the start and will still keep close to their temperance principles.

About one hundred and fifty people went on a moonlight excursion on Wednesday night week. Those present pronounced the occasion a perfect one and the band music delightful.

We are pleased to report that Mr. Will Eaton who started for Manitoba recently, has secured a good position in the Canadian Pacific Machine shop in Winnipeg.

Since our last writing, has occurred the death of Dr. James Miller, one of Kings County's oldest and most skillful doctors. Words seem inadequate to express our sorrow and sympathy for his family. He leaves six children, all of whom lament the loss of a kind, affectionate father. The doctor had been ailing for some time and realized that death was near. He had been superintendent in the Methodist S. S. for some time and will be missed in that church as elsewhere. We cannot feel sorrow for him who had perfect faith in God and who has entered into life everlasting, but for those whom he has left desolate, we extend our deepest sympathy and can only point them to the wise and loving Heavenly Father who doeth all things well.

Mr. John Jordoc fell from a pear tree recently and broke his collar bone. However, we are glad to report that he is improving and will soon be about again.

Mr. Samuel Kerr and wife of St. John, are visiting at the home of Mr. and Mrs. N. W. Eaton.

The Rev. W. N. Hutchins attended the Maritime Convention at Moncton, N. B., last week and gave some interesting information in regard to it at the prayer meeting on Friday night.

The Provincial Exhibition is drawing near. This is evidenced by the world be exhibitors soliciting fruit, etc., for the fair.

Mrs. Gaetz is visiting at the home of Miss MacLean, Mahone Bay. Judge Townsend and family who have been summering here, have returned to Halifax.

Postmaster Charles Dickie and wife are visiting at the home of Hon. Dr. and Mrs. Borden, Ottawa.

Messrs Harry Starrett of Annapolis County and George Johnson of McGill College, Montreal, spent Sunday in town. They went to Camp on Tuesday. Mr Johnson has lately qualified for 1st lieutenant at the Royal School of Cavalry, Toronto. J. A. Harris, who was 1st lieutenant last year has recently qualified for Captain. With J. A. Northup as Major, we should fancy the officers this year will be very well qualified.

Mrs. Hanley Chipman of Tupperville, Annapolis County, is visiting her daughter, Mrs. J. A. Harris.

Farmers are jubilant over the nice prices for apples this year. We are rather in favor of them ourselves and think the farmers deserve a chance to regain some of the losses of last year.

Miss Ethel Payzant starts on a trip to the Pan-American Exposition this week in company with Miss Spurr of Annapolis County. We wish them a pleasant trip with a safe return.

Mrs. Clement Reynolds, with son and daughter of Halifax, are visiting in Canada.

Miss Tremaine of Halifax, is visiting at Mr. Clement Dickie's in Canada.

CORRESPONDENCE

Mr. Editor, Sir, - A poor, widow woman living at Hortonville, came to me this morning with a story of distress. She says when the train carrying our Militia boys to Aldershot, stopped at Hortonville station the men in the front car jumped out, and rushed into her little orchard, which is near the station, and shook the apples down, at them, pocketed them, and fired them around at the station and at her when she went among them and tried to stop them. She says they insulted her, using abusive and indecent language. She says she was told they were from Springhill. She also says an officer told her she could get damages, but he didn't give her his name, and other officers told her the men were not their men.

Now, Mr. Editor, a few apples taken from a rich man's orchard is a trifling matter, but a barrel or two, from a poor woman's orchard who is barely able to make a living out of the little she has, is a serious matter, and adding insult to injury is a disgrace to the men implicated, to the officers in command and to

the Department of Militia, and certainly compensation and apology are due to this woman. I write this that the blame may be placed where it belongs, and hoping those in Command will investigate this woman's statement and do justice. Yours, H. CHIPMAN. Grand Pre', Sept. 4th, 1901.
