

Strict Economy

Buying cheap clothes is not exactly strict economy. You may get a fairly good looking suit say for \$5.00 or \$6.00, but you often remark yourself, or hear remarked, Well, what can you expect for \$5.00.

OUR \$10.00 SUIT

Is made of good material, solid construction, keeps its shape and appearance and will certainly out wear three of the best \$5.00 suits you can get.

STRICTURES Cured To Stay Cured

DR. SPINNEY,
Founder of
Dr. Spinney & Co.

Strictures, no matter where located, are apt to involve the surrounding structures. If neglected or improperly treated, urethral stricture will produce distressing symptoms. Cutting, stretching and tearing are the old barbarous methods of treating this disease. The strictly modern and original methods employed by us are free from the horrors of surgery and are absolutely safe and harmless. The abnormal stricture tissue is dissolved and leaves the channel free and clear. All unnatural discharges cease, any irritation or burning sensation disappears, the kidneys, bladder, prostate gland and other surrounding organs are strengthened and the bliss of manhood returns. OUR ABSORPTIVE TREATMENT will positively cure you. YOU CAN PAY WHEN CURED.

We Cure Varicocele, Blood and Skin Diseases, Neuritis, Debility, Stricture, Bladder, Kidney and Urinary Diseases.

Old People's Day at Glen Buell

Following is the programme of proceedings at the third anniversary of Old People's Day at Glen Buell, to be honored on Sunday August 28:—

At 9 A. M., the services will commence with a Love Feast or Class Meeting. Wm. Robins, a local member of one of our pioneer families—an active member of Glen Buell Church, a live coal—will D. V. be leader.

At 10.30 A. M., the Rev. Bro. F. Chisholm will deliver an address of welcome to the boys and girls of yesterday, viz.: fathers and mothers in Israel, present. Bro. Chisholm has for years been associated, more or less, with Methodism on Lyn field of labor. To him, Lyn is truly historic ground. Having received ordination testimony from an Annual Conference of the M. E. Church, later in his history served the M. E. Church for three years, and again after the union of the several Methodist bodies he was the first pastor of united Methodists.

At 1.30 P. M., the Sabbath School Department of our church will take up the regular lesson and illustrate the fact that even great men in God's vast field of labor become discouraged sometimes.

At 2.30 P. M., The Rev. Wm. Knox, shepherd in charge of the flock, will address you, after which a memorial service will be introduced, in honor of members who have died during the year.

A Badge of honor or recognition will be used. Friends of old families who may have removed hundreds of miles distant from the homes of their childhood will be supplied, and all are kindly requested to attach them to the lapels of their coats or jackets for the day, and thus be in touch with the Old People's Day in Glen Buell.

A Silver Medal, made to order expressly for the anniversary service, will be presented to the oldest person present. Mrs. D. J. Forth, Bible class teacher of the S. S., will make the award. The only condition in this connection will be age, verified if necessary.

Good Music, vocal and instrumental. Good committee of S. S. students to wait upon you. Good committee of management. Best of all, God will be with us. See Matthew 18: 19, 20.

Bill Nye's Cow Ad.

Bill Nye, the humorist, once had a cow to sell, the story goes, and advertised her as follows:—"Owing to my ill health, I will sell at my residence, in township nineteen, range eighteen, according to the Government's survey, one plush raspberry cow, aged eight years. She is of undoubted courage and gives milk frequently. To a man who does not fear death in any form she would be a great boon. She is very much attached to her present home with a stay chain, but she will be sold to anyone who can agree to treat her right. She is one-fourth short-horn and three-fourths hyena. I will also throw in a double barrel shotgun which goes with her."

Recuperative Effect

Considered with reference to its recuperative effect, there is not so much good in the ordinary vacation as there is in a single bottle of Hood's Sarsaparilla. The latter costs \$1; the former—well, that depends; how much did yours cost last year? Hood's Sarsaparilla refreshes the tired blood, sharpens the dulled appetite, restores the lost courage.

Recorder; The many friends of Mrs. A. James, who was successfully operated on at the General Hospital, will be pleased to learn that she is doing well and making remarkably rapid progress towards recovery. Miss Addie Hunt, a graduate of the Brockville General Hospital, now of New York, is taking care of Mrs. James as a special nurse.

Times: A. E. Donovan, of Athens, yesterday evening and this morning treated a few of his many Brockville friends to a drive behind his fine appearing and well bred hackney stallion, and a four-year-old colt imported from England a year or so ago. The animal is a beauty in style and action and Mr. Donovan confidently expects that at the coming great Brockville Exhibition this horse will carry away the red ticket of his class against all competitors. The horse is now being kept in the well-equipped stables of Messrs. Copeland & McGrath, awaiting the opening of the Brockville Fair.

The Canadian Pacific is running a farm laborers excursion to Manitoba and Assiniboia on Saturday, August 27th, at low rate of \$12. The tickets will be sold to Winnipeg and as in former years arrangements have been made to forward passengers on to the places of their employment without extra charge on complying with the usual conditions. Provided passenger works at farm labor for a stipulated time and on deposit of certificate with station agent on arrival at destination he is entitled to purchase ticket back to original starting point for \$18 on or before Nov. 30th, 1904. Full particulars can be obtained on application to Geo. E. McGlade, the company's city agent at Brockville.
