Editorial Jottings

Monday next—Peace Day—should be observed in every section of our Dominion in memory of the brave boys who laid down their lives for us on the battlefields of France, and the equally brave boys who did their "bit" for King and Country and who have returned to us. The Mayor should proclaim the day as a holiday and it should be made an occasion of such a display of patriotic rejoicing as will not soon be forgotten by the rising generation.

Election Notes

The Conservative candidates in Cumberland county are Mrs. H. W. Rogers, of Amherst, E. C. Leslie, of River Herbert, and Percy L. Spicer, of Parrsboro. Mrs. Rogers, who is a well-known author, is a graduate and governor of Acadia University. Mr. Leslie was also a student at Acadia where he went by the name of "Lofty" Leslie.

In Annapolis county the Conservatives have left the field to the Liberals and Farmers. The former have nominated Attorney General O. T. Daniels and Frank Elliott. The Farmers' candidates are Edgar Shaffner, of Williams-town, and V. B. Leonard, of Clarence.

The Farmers of Kings county held a convention at Kentville on Saturday, which was largely attended. Richmond L. Palmer, the president of the Farmers' Party in this county, was in the chair.

A delegation was received from the Conservative party asking the farmers to endorse their candidates, but this the farmers declined to do and proceeded to nominate candidates of their own. Rev. G. R. Raymond, of Berwick, and L. E. Shaw, of Wolfville, were nominated. Mr. Raymond, who was present, declined the nomination. After considerable warm discussion it was decided that as the United Farmers' party was not properly organized in this country, they would not nominate any candidates.

Mrs. S. C. Dimock and Mrs. C. P. Smith, of Windsor, with their children, are enjoying an outing at Evangeline Beach.

Canning Notes

A meeting of the ratepayers of Canning was held in Parker's Hall, on Monday evening of last week, for the purpose of considering the advisability of electric light for this town. There was a large representation of ratepayers present, and it was moved, seconded and carried unanimously that the commissioners proceed at once to procure light at an estimated cost of \$14,000. Canning should be lighted by electricity by fall.

One of the fastest games of baseball ever seen in Canning was played between the boys of Lakeville and the Canning scouts on Wednesday afternoon of last week. The score was 10-5 in favor of the home team.
