

DISFIGURING, TORTURING SKIN TROUBLE

Cannot be Cured by Salves and Ointments—The Blood Must be Purified.

A blemished skin, irritating sores, pimples, eczema, salt rheum and other skin disorders are all signals of distress, telling that your blood is impure or weak. You cannot cure eczema and other skin troubles with ointments and outward applications. These things may give temporary relief, but cannot cure, because the trouble is rooted in the blood and can only be removed by purifying and enriching the blood. Dr. Williams' Pink Pills speedily cure skin troubles because they enrich, purify and build up the impoverished blood that caused the trouble. As they feed and cleanse the blood, the skin grows fair, the bloom of health returns and new strength is found. No other medicine has ever had such wonderful results in curing all diseases due to bad blood. Miss Elizabeth Gillis, Kensington, P.E.I., says: "Words can hardly express how grateful I feel for what Dr. Williams' Pink Pills have done for me. For seven years before I began their use I was troubled with salt rheum. My hands and arms were nearly always a mass of torturing cracks and sores. I tried several doctors and spent a great deal of money without getting any benefit. Indeed my hands seemed to be getting worse all the time. Finally my brother persuaded me to give Dr. Williams' Pink Pills a trial and I am happy to say they have completely cured me. I used in all seven boxes, and I would not be without them in a case of this kind if they cost five dollars a box instead of fifty cents. I hope my experience will be of benefit to some other sufferer from skin trouble."

These Pills are sold by all medicine dealers or will be sent by mail at 50 cents a box or six boxes for \$2.50 by The Dr. Williams' Medicine Co., Brockville, Ont.

He—"So you think married life ought to be one grand, sweet song?" She—"Yes." He—"What air would you prefer for this matrimonial song?" She—"I think a millionaire."

They Cleanse While They Cure.—The vegetable compounds of which Parnelee's Vegetable Pills are composed, mainly dandelion and mandrake, clear the stomach and intestines of deleterious matter and restore the deranged organs to healthful action. Hence they are the best remedy for indigestion available to-day. A trial of them will establish the truth of this assertion and do more to convince the ailing than anything that can be written of these pills.

KEEP YOUR TEMPER.—Which of all domestic virtues is most essential to a happy married life? The ability to keep one's temper, beyond all question. There is nothing which lends more to misery, not only for its possessor, but also for those about him, than an ungovernable and unreasonable temper. No one is worse to live with than an ill-tempered man, except, perhaps, an ill-tempered woman. Bad-tempered people completely spoil the lives of those who associate with them. The feeling of strain is ever present; one never knows just when the storm will break, although apparently the weather, metaphorically, is "set fair." Life in these circumstances becomes a burden almost beyond bearing.

There's no use saying "Get thee behind me, Satan," when you put him in your hip pocket.

ISSUE NO. 47-09

EUROPE'S DIRTIEST TOWN.

All holiday travellers should shun Boryslaw, in Galicia—"the back of Europe"—truthfully called the dirtiest place in Europe. It is the oil-trade centre, and is decidedly not beautiful. In the main street all the houses have been built on mine refuse, and most of them have sunk below the level of the street. In fact, there is not a solid brick or stone building in the whole of the town, and many of the houses are in a state of partial or entire collapse. Unrefined petroleum is everywhere. It gets into everything—food and clothing—and the atmosphere reeks of it. Along one side of the main street is a raised wooden pavement, and beneath it is an oily ditch. Boryslaw's main waterway is a narrow, sluggish, oily stream. On its banks the town's refuse is cast, and the market booths are erected alongside; while the local washerwomen—though, from external appearances, one would judge that laundresses did not exist there at all—do their washing in its oily depths.

JOHN GETS BACK.

She stood there and glared at him. "And you mean to stand there and ask me to press your trousers?" she demanded with all the sternness she could muster. "Why, certainly, my dear," responded Mr. Stubb, affably; "is that asking too much?" "Well, I should say it is, John Henry Stubb. I'd have you know that when you married me you did not marry a seditious man." "That evening his turn came. "John, dear," chirped Mrs. Stubb just after supper, "I wish you would do me a favor before you go. Button my waist up in the back, that's a good man." "But Mr. Stubb merely puffed his cigar and chuckled softly. "Nay! Nay! Maria. I would have you know when you accepted me you did not say 'Yes' to a buttonhook."

BABY'S OWN TABLETS A LITTLE LIFE SAVER

There is no other medicine for little ones as safe as Baby's Own Tablets, or so sure, in its beneficial effects. These Tablets speedily destroy worms, break up colds, thus preventing deadly croup, allay simple fevers, and bring the little teeth through painlessly. Mrs. C. A. Weaver, Saskatchewan Landing, Sask., says: "I have used Baby's Own Tablets for my little one in cases of colds, stomach and bowel troubles, and other minor ailments, and have never known them to fail in speedily restoring the child's health. I think there is no medicine for babies like the Tablets." Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

WISDOM WAVES.

Many on everyday man is a weak one. Work on a sound basis, like the pile-driver. Marriage is like a cucumber—it doubles you up. A good many songs have plenty of gas, but no meter. Soldiers are usually a bore—they drill so much. People who lead the simple life generally have to. Never try to alight from a lady's train when in motion. A good many actors are romantic who are not good romantic actors.

Heaven judges the sincerity of our affection for God by the cost of our service for man.

HOW MRS. CLARK FOUND RELIEF

AFTER YEARS OF SUFFERING DODD'S KIDNEY PILLS CURED HER.

Pleasant Point Matron Tells Her Suffering Sisters How to be Free From the Terrible Pains that Make Life a Burden.

Pleasant Point, Ont., Nov. 15.—(Special).—That most of the ills that the suffering women of Canada have to bear are due to disordered Kidneys, and that the natural cure for them is Dodd's Kidney Pills, is once more shown in the case of Mrs. Merril C. Clarke, a well-known resident of this place and a prominent member of the Salvation Army. Mrs. Clarke is always ready to give her experience for the benefit of her suffering sisters.

"My sickness commenced twenty years ago with the change of life," says Mrs. Clarke. "My health was in a bad state. Water would run from my head which would make me faint. When I came out of the fainting spells I took fits. I was bloated till I was clumsy. The pain I suffered was awful. It would go to my feet and then to my head. Many doctors attended me, and I tried many medicines, but nothing gave me relief till I used Dodd's Kidney Pills. The first box stopped the fits and seven boxes cured me completely."

Every suffering woman should use Dodd's Kidney Pills. They make strong, healthy Kidneys, and the woman who has good Kidneys is safe-guarded against those terrible pains that make miserable the lives of so many women.

A CENTURY OF MARRIAGE.

A ceremony which very probably has never had its equal in the history of anyone up to this time was celebrated lately in the little village of Ischbalgi, in Hungary. It took place to commemorate the marriage of the couple Szatmari, united for exactly 100 years. The husband is 120 years of age and the wife 116. Their descendants count together more than 250 persons. The two old people, who inhabit a quite modest little cottage, are very much loved by their neighbors, who surround them with every possible care. They are, however, almost quite blind and deaf. They pass their time away mostly in sleeping. Still, occasionally the old man smokes a little pipe with evident satisfaction, and enjoys a glass of wine. The queerest thing about their whole life is that this old couple have never quitted their village—they were both born there. Their life has been passed there quietly and peacefully, and never has a wish arisen in their minds to know anything of the vast world which lies beyond their narrow horizon.

A Wide Sphere of Usefulness.—The consumption of Dr. Thomas' Electric Oil has grown to great proportions. Notwithstanding the fact that it has now been on the market for over thirty years, its popularity is as great as ever, and the demand for it in that period has very greatly increased. It is beneficial in all countries, and wherever introduced fresh supplies are constantly asked for.

Many a large man indulges in small talk.

The efficacy of Bickle's Anti-Consumptive Syrup in curing coughs and colds and arresting inflammation of the lungs, can be established by hundreds of testimonials from all sorts and conditions of men. It is a standard remedy in these ailments and all affections of the throat and lungs. It is highly recommended by medicine vendors, because they know and appreciate its value as a curative. Try it.

USELESS KNOWLEDGE.

The young man had just faced the parson with the only girl, and was now in search of information. "Can you tell me how to govern a wife?" he asked of the man who had been up against the game for thirty years.

"I can," replied the other sadly. "But what's the use—she won't let you."

Some people are more afraid of germs than they are of a mad dog.

MR. POULTRY RAISER

DON'T play into the hands of the POULTRY SPECULATORS who are scouring the country and picking up all the live birds they can lay their hands on. Naturally their object is to get the bulge on you and reap the benefit of a stronger and more profitable market later on in the season.

DON'T rush your Poultry on to the market too soon. Fatten and dress it properly yourself; then sell it when condition of both stock and market will warrant your securing the highest price of the season. The past three years have clearly proven that those who held their Poultry until the latter part of December, have reaped the largest returns for their outlay.

DON'T overlook the fact that the above remarks are simply in the nature of advice, and that if you have any Poultry on hand that you wish to dispose of NOW, we are in the best position of any house in the country. BARRING NONE, to handle same for you. We are in the business every day in the year, and our 35 years of ever increasing business and a host of satisfied shippers are proof sufficient of our ability to please you.

DON'T forget to write us when you are ready to ship.

Pills of Attested Value.—Parnelee's Vegetable Pills are the result of careful study of the properties of certain roots and herbs, and the action of such as sedatives and laxatives on the digestive apparatus. The success the compounds have met with attests the value of their work. These pills have been recognized for many years as the best cleansers of the system that can be got. Their excellency was recognized from the first and they grow more popular daily.

WOMANISH.

The average woman is not satisfied to do as she pleases unless she can make other people do as she pleases.

Holloway's Corn Cure destroys all kinds of corns and warts, root and branch. Who, then would endure them with such a cheap and effectual remedy within reach?

THERE ARE REASONS.

The average woman can put up convincing arguments why a man's overcoat should last four winters and why her bonnet is only good for four weeks.

Dr. Morse's Indian Root Pills

owe their singular effectiveness in curing Rheumatism, Lumbago and Sciatica to their power of stimulating and strengthening the kidneys. They enable these organs to thoroughly filter from the blood the uric acid (the product of waste matter) which gets into the joints and muscles and causes these painful diseases. Over half a century of constant use has proved conclusively that Dr. Morse's Indian Root Pills strengthen weak kidneys and

POULTRY.

We call the attention of our readers to the advertisement of The Gunn, Langlois Company, of Montreal, which appears elsewhere in this paper. If you have any poultry to place on the market during the holiday season take their advice and communicate with them before rushing your goods to market. It is a good plan to write to these people if you have eggs, butter, poultry or honey to dispose of at any time.

BRONCHITIS

If Neglected, it soon reaches the Lungs and may Prove Fatal.

Mr. G. L. Garrow of 116 Millicent St., Toronto, writes under date of September 13, 1908: "One year ago this spring I contracted a severe cold in the chest, which developed into Bronchitis. I took three kinds of medicine and found no improvement. A friend of mine advised me to try PSYCHINE and in three days I felt like a new man again. I continued to use it until I was cured. I feel that I owe a valuable cure you have in PSYCHINE for cured me where all other medicines had failed. I am more than thankful to be well again, and for the sake of others who may be ill, you may publish this testimonial." Stop that cold or the results will be serious. You can do this by tuning up the system with PSYCHINE.

Zam-Buk

Mr. R. C. Burton, a prominent Salvation Army worker, who occupies the proud position of Deputy Band Master at the Temple, Toronto, bears testimony to the great healing power of Zam-Buk balm. He says:—

"Pimples and sores broke out all over my face and neck and notwithstanding all I did to try and cure them they spread. In places the skin was inflamed over big patches and caused me great pain and inconvenience. I was advised to try Zam-Buk and for several days I applied it to the sores anointing it often with the healing balm. It soon began to soothe the pain, and in a short time the sores ceased to be so angry and painful. With perseverance Zam-Buk healed the sores completely and made my skin as smooth and clear as possible. I strongly recommend Zam-Buk to all who suffer from unsightly skin troubles, sores, ulcers, etc. It is a wonderful healer!"

* Zam-Buk cures eczema, itch, blood poison, festering chronic and suppurating sores, burns, cuts, harber's rash, fistula and all skin injuries and diseases. It is also a specific for piles. All druggists and stores 50c. a box or 3 for \$1.25. Send 10c. stamp to Zam-Buk Co., Toronto for sample box.
