YOUR SUPPORT IS NEEDED

Do the people of Carleton county want the Observer? Do others want it? If so we ask their support as never before and we need it as never before. We ask your patronage in the way of subscriptions, in the way of contributions of news items, and moreover we ask you to remember you people of Carleton have a job of their own to do. They are in the province and workmen are able to turn out as the work as any office in the province, so therefore please remember that if you want your own home office to arrive, you will need to support the Observer by your patronage when you have need of printing of any kind. Another thing: It takes money and much of it to run a newspaper. Overhead expenses—hundreds of dollars; insurance—hundreds of dollars; pay roll not short of a hundred dollars per week; stock type, interest wear and tear, etc., all take money. We have to pay our bills. Now why not you? The majority of our bills are small—many under a dollar, and because of the smallness of them, many overlook bills sent them not only once but twice and three times. Now we kindly ask you when you receive a bill to please give it your attention. The Observer and its readers and patrons have always been in unity and we trust this will always remain so under the new leadership. We thank you!

WHO IS RESPONSIBLE?

On Monday morning three young boys of the town were before Police Magistrate Laskey charged with breaking and entering the store of Keith & Plummer, Limited, and taking a quantity of candy. The boys were committed for trial at Woodstock where they were allowed to have their liberty until the next session of the Supreme Court.

On Tuesday morning before Police Magistrate Comben at Woodstock one of the same boys was arraigned on a charge of stealing a horse, the property of a Woodstock man, and was sentenced to six months in the Provincial Reformatory School, but was allowed his liberty on a "suspended sentence."

It is to be regretted that any of our boys should have to start life handicapped with Police Court records, and every citizen of the town should interest themselves in the welfare of our future men and women, and use every means to keep them from temptation, so that the hand of the law will not be called upon to punish them, perhaps through our neglect. Society must be protected, but it can

only be protected by the watchful care of those about us.

LIEUT. GOV. TODD VISITS HARTLAND

(Continued from first page)
 between his Majesty and his loyal subjects in this loyal Province.
 Inasmuch as we have as much loyal pride as any other town of the same size and situation, if not more, we might be pardoned for pointing out some of our obvious advantages and the favors which a bountiful province has bestowed upon us. We proudly speak of our county as "The Garden of the Province," and with an excess of local zeal, we refer to ourselves as "The Heart of the County." We trust that as Your Honor has travelled along our beautiful river, over our excellent roads, through our fine farming country, at this, the most beautiful season of the year, and has noted the evident signs of industry and prosperity, you might feel that our local pride has a certain basis of justification, and that our town, may favorably impress Your Honor as a thriving community, a pleasant place in which to live, and an ideal location for a loyal, prosperous and contented population.

Our system of water supply and our electric light plant are functioning satisfactorily; the work upon our streets is simply the beginning of a more extensive programme; the new school building on these grounds is a visible proof that even during periods of so-called financial stringency we recognize the supreme value of a sound education in worldly affairs; and our numerous churches show that we realize that "man does not live by bread alone."

In conclusion, we trust that your Honor and your party will enjoy your visit to this section of our County as much as we have enjoyed the honor which you have thereby conferred upon us, that you and your charming consort may long be spared to fill the exalted positions of the first gentleman and the first lady in the land, and that you may be so impressed by the beauty of our natural surroundings, the warmth of our welcome and the brevity and sincerity of this well meant address, that this may not be your last visit to the town of Hartland, but that it may prove to be merely the forerunner of at least "an annual affair."

The Town Council of the Town of Hartland.
 Speech of Fred Smith, M. L. A.
 To the Honorable William F. Todd, L.L.D., Lieutenant Governor of New Brunswick.
 Your Honor:
 Without attempting to emulate the

FRUIT JUICES FOR RHEUMATISM

Amazing Results from the Fruit Treatment—"Fruit-a-lives"

Here is the whole story of the Fruit Treatment for Rheumatism, told by a gentleman who suffered five years with this terrible affliction.

Mr. James Dobson, of Bronte, Ont., says: "The Rheumatism was in my right hip and shoulder; the pain was almost unendurable. After six months' Fruit Treatment with 'Fruit-a-lives', I was completely relieved and am now in first class health."

It is a fact—proven by thousands of cases—that "Fruit-a-lives", the Fruit Treatment, absolutely relieves Rheumatism, Pain in the Back, Neuralgia, chronic Headaches due to stomach or liver troubles, and other forms of Kidney Disease.

happy phrasing nor the classic eloquence of His Worship, the Mayor of Hartland reminding one, as it does, of the best period of the golden age of oratory, the members of the Legislative Assembly of our Province, who have the honor of representing this County, desire to add their humble and halting tribute to the gracious words of His Worship, to unite in welcoming Your Honor and your party to our fair county, congratulating you upon your appointment to the high and honorable position which you hold, and assuring you of our loyalty to His Gracious Majesty whom you represent so worthily.

Our County is both in phrase and in fact the "Garden of the County," a statement which has no doubt been impressed upon Your Honor at the shiretown. Our people stand in the very forefront of the agricultural industry; our lumber business provides a stable revenue; our school system is abreast of the times, and if our people are not enjoying the artificial prosperity of war times, our business rests on a more stable basis, and there is a living and comfort for all who are willing to work.

The facts have no doubt impressed themselves upon Your Honor's attention as you have passed through our County, but we have other claims to distinction, as well.

As the people of the shiretown no doubt called to Your Honor's attention, the County was originally settled by those United Empire Loyalists who fought in a lost cause, and sacrificed their worldly possessions and social standing in order to retain their allegiance to the grand old flag. In the wars which have fallen to our lot since the Revolution, our County has always been willing to do its share, and the beautiful soldiers' monument on our courthouse grounds bears mute but eloquent testimony to the memory of the Carleton County boys who in the Great War paid the last full measure of devotion in order that popular government should not perish from the earth, and that the small nations of Europe might not be trampled beneath the fierce and overmastering pride of the strong.

In politics, if in the past we have justified our name of the political hotbed of the Province, we have at least produced plants in our political garden of whom the County need not be ashamed. The birthplace of Sir George E. Fothermay be seen from this hilltop. Hon. Charles Connell, whose "Connell stamp" overshadowed his more solid achievements, was one of our Carleton county members in the days before Confederation. Hon. W. P. Jones, solicitor-general of the Province previous to 1903, Hon. J. K. Fleming, at one time premier, Hon. B. F. Smith, Minister of Public Works and Hon. F. B. Carvell, a member of the Dominion government during the Great War, were all Carleton County men.

It is also an interesting fact that Carleton was the first County to adopt the present municipal system and to elect a county council to manage its local affairs, a system which has worked so well that the County debt is now probably the lowest in the province, per head, and is being rapidly paid off, an example which is respectfully commended to governing bodies of greater capacity and wider outlook.

Under these circumstances, and many others which might be referred to, we trust that Your Honor will appreciate our pardonable pride in having the honor of representing so beautiful a County and so fine a body of people and of welcoming Your Honor and Mrs. Todd upon this happy occasion.

And in conclusion, Your Honor, we again assure you of our appreciation of the honor which you have conferred upon us, and we respectfully say, "Come Again."

FIRE AT UPPER KENT

A fire of unknown origin this morning at 5.30 o'clock destroyed the farmhouse of John Broad at Upper Kent. Mr. Broad was having breakfast at

the time when William Gance, who lives opposite Mr. Broad's home, noticed the flames breaking through the roof around the chimney. Most of the furniture on the ground floor was saved, nothing of any value, however, was saved from the upstairs, but the loss is practically covered by insurance. Fortunately no other buildings were burned.

BATH BREEZES

Despite the heavy rains, haying operations were commenced by many farmers last week. This week with ideal weather prevailing will find every farmer in the hay field. The crop this year, generally speaking, is light, but should good weather continue a higher grade may make up for this deficiency.

The first raspberries are now coming in in small quantities, and are being purchased at 10c per lb. Cultivated strawberries are selling at 15c a box.

On Monday evening the Grand Falls baseball nine, met the local aggregation on the local diamond. The game, a seven inning one, was a walk-away for the locals. Shaw was in excellent form and pitched a stellar game. The batteries were: Bath—Shaw; Estabrooks, c. Grand Falls—Caruthers, p.; Gyr, p.; Estey, c. The score at the end of the 7th inning stood 17-4 in favor of Bath.

of Mr. and Mrs. James Guest.

Miss Mary Gallagher, Portland, is visiting in town, the guest of Mrs. J. P. Burke, Church street.

Mr. Conlogue and party of Houlton, were guests of Mr. and Mrs. James Allison, Johnville, on Sunday.

The C. P. R. rail-laying crew which were here for the past week, moved to Florenceville on Monday. On the same day another crew arrived to reconstruct and enlarge the stock yard. An additional piece of land has been purchased from Hanford Craig for that purpose.

Miss K. G. Lynch who has been spending the past six months here with relatives left for Fredericton on Monday.

Mrs. G. S. Larlee and son, Wallace, left for St. John on Monday.

A motor party of four ladies from Cleveland, Ohio, comprised of Mrs. J. B. McGee, Miss Hilda McGee, Miss Annie Bruha and Miss Carrie Bruha, arrived in town on Saturday night and were registered at Day's Hotel. The party have been motoring by easy stages for the past six months, having toured Nova Scotia visiting Halifax and Annapolis Valley, thence to New Brunswick via the line of America route. The party continued from here

on Sunday morning and will visit Quebec, Montreal and Toronto before returning to Cleveland. They spoke very highly of both the roads of Nova Scotia and of this province, the worst being the roads under construction just below Florenceville which due to heavy rains prevailing did not perhaps present a very attractive appearance when judged according to feminine standards and neatness.

The ball game here last evening between Centerville and Bath resulted in a score of 4 to 3 in favor of the home team. This game was reported as very exciting and well played. The batteries for Bath were Shaw and Estabrooks.
