A Common Cold

Is often the beginning of serious affections of the Throat, Bronchial Tubes, overestimated. Ayer's Cherry Pectoral may always be relied upon for the speedy cure of a Cold or Cough.

Last January I was attacked with a severe Cold, which, by neglect and frequent exposures, became worse, finally settling on my lungs. A terrible cough soon followed, accompanied by pains in the chest, from which I suffered intensely. After trying various remedies, without obtaining relief, I commenced taking Ayer's Cherry Pectoral, and was

Speedily Cured. I am satisfied that this remedy saved my life. - Jno. Webster, Pawtucket, R. I. I contracted a severe cold, which suddenly developed into Pneumonia, presenting dangerous and obstituate symptoms. My physician at once ordered the use of Ayer's Cherry Pectoral. His instructions were followed, and the result was a rapid and permanent cure.—H. E. Simpson, Rogers Prairie, Texas.

Two years ago I suffered from a severe Cold which settled on my Lungs. I consulted various physicians, and took the medicines they prescribed, but received only temporary relief. A friend induced me to try Ayer's Cherry Pectoral. After taking two bottles of this medicine I was cured. Since then I have given the Pectoral to my children, and consider it The Best Remedy

for Colds, Coughs, and all Throat and Lung diseases, ever used in my family. — Robert Vanderpool, Meadville, Pa. Some time ago I took a slight Cold, Some time ago I took a slight Cold, which, being neglected, grew worse, and settled on my lungs. I had a hacking cough, and was very weak. Those who knew me best considered my life to be in great danger, I continued to suffer until I commenced using Ayer's Cherry Pectoral. Less than one bottle of this valuable medicine cured me, and I feel that I owe the preservation of my life to its curative powers.—Mrs. Ann Lockwood, Akron. New York. Akron, New York. Ayer's Cherry Pectoral is considered,

here, the one great remedy for all diseases of the throat and lungs, and is more in demand than any other medicine of its class.—J. F. Roberts, Magnolia, Ark. Aver's Cherry Pectoral, Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by Druggists. Price \$1; six bottles, \$5.

Same care and attention they used to get? We noticed that unless attended with some accident or chronic disease, the horse always returns again with the ebb tide. On Tuesday a have charge themselves thinking about it. Every-huge black fish passed majestically up themselves thinking about it. Every-value in services, in proportion to the Avon through the two bridges and thing done for the relief or comfort the care and attention bestowed up-

are equal in feeding value to one Sweden has become a great exporman who loves and cares for his ter of butter. The amount sent man who loves and cares for his ter of butter. The amount sent seven years old, is quiet and gentle, which horses, and is studiously interested abroad last year was valued at more wants to sell as he has no use for him this commodation for 15,000 in a population of 23,000, and it is all utilized. There is full of the deepest affection for his less now worked upon the most imconcerning their welfare, is a man than \$4 000,000. The Swedish dair-coming winter. ing several bottles to my astonishment I no street car traffic, all places of business found the hair rapidly growing on my are closed and the people enjoy one day beings. separating and refining the cream and

little agglutinated piles in warm man- Dairymen should bear in mind that
