## WELL EARNED HONOR.

This is a triumph ending to a successful career in college for Mr. Ridwell, he having passed with honors every examination in the four years he has been there. He has studied very hard while at the college, and is now reaping the benefit of his labor. He is 23 years of age, and is Mr. Ridwell's oldest son. He will enter the employ of the C. P. ## LATE SPORTING NEWS

Woodstock, April 26.—The Woodstock Baseball Club will be represented at the meeting in Galt to-morrow night for the organization of the Canadian League by Messrs. J. Davis, McPherson and Dancy.

Such was the decision of the club at the meeting held last night in the W.A.A. rooms. The club will go into the league enthusiastically and will do everything in its power to make the undertaking a success.

Woodstock sees prospects of a six team league. Galt, Ingersoll and Guelph are already in the game. Hamilton is looking towards the league, and from latest reports from Berlin there is a chance of Berlin entering. Brantford also may want to come in. If either Brantford or Berlin join Woodstock will favor the admission of Hamilton. The club does not favor the idea of a five team league.
