

A Woman's Problem

How to Feel Well During Middle Life Told by Three Women Who Learned from Experience.

The Change of Life is a most critical period of a woman's existence, and neglect of health at this time invites disease and pain. Women everywhere should remember that there is no other remedy known to medicine that will so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs. Read these letters:—

Philadelphia, Pa.—"I started the Change of Life five years ago. I always had a headache and backache with bearing down pains and I would have heat flashes very bad at times with dizzy spells and nervous feelings. After taking Lydia E. Pinkham's Vegetable Compound I feel like a new person and am in better health and no more troubled with the aches and pains I had before I took your wonderful remedy. I recommend it to my friends for I cannot praise it enough."—Mrs. MARGARET GRASSMAN, 759 N. Ringgold St., Philadelphia, Pa.

Beverly, Mass.—"I took Lydia E. Pinkham's Vegetable Compound, for nervousness and dyspepsia, when I was going through the Change of Life. I found it very helpful and I have always spoken of it to other women who suffer as I did and have had them try it and they also have received good results from it."—Mrs. GEORGE A. DUNBAR, 17 Roundy St., Beverly, Mass.

Erie, Pa.—"I was in poor health when the Change of Life started with me and I took Lydia E. Pinkham's Vegetable Compound, or I think I should not have got over it as easy as I did. Even now if I do not feel good I take the Compound and it restores me in a short time. I will praise your remedies to every woman for it may help them as it has me."—Mrs. E. KISSLING, 931 East 24th St., Erie, Pa.

No other medicine has been so successful in relieving woman's suffering as has Lydia E. Pinkham's Vegetable Compound. Women may receive free and helpful advice by writing the Lydia E. Pinkham Medicine Co., Lynn, Mass. Such letters are received and answered by women only and held in strict confidence.

Frightful Revelations in White Slave Traffic

Young Girls Lured to Houses and Sold at a Dollar a Pound—Danger to Girls Alone in United States

New York, Aug. 15.—One dollar a pound is the price actually paid in several instances for immature young girls auctioned off by White Slavers to proprietors of disorderly resorts in New York. Assistant District Attorney Smith, prosecuting the campaign against the Vice Trust, declared today.

From men and women now under arrest and awaiting trial, Smith has obtained the most amazing confessions of the workings of the White Slave gang. Not only did they systematically set about to obtain schoolgirls for resorts but, on East Twenty-second street they maintained a house where young girls, sometimes partly and sometimes completely disabled, were sold to the highest bidder.

New York, Aug. 16.—A girl was "a box of cigars" in the code language used by the New York Vice Trust in white slave operations, Assistant District Attorney Smith, directing the Grand Jury investigation of white slavery, learned from Yushe Botwin, "White Slave King," today. When the proprietor of a disorderly resort bought a new girl she asked Botwin to send her "a box of cigars." This code expression was used, Botwin explained, to guard against detection. The grand jury will return at least one indictment today, the assistant district attorney said. Meanwhile investigators are busy searching for white slave witnesses who went under cover when the investigation began.

New York, Aug. 16.—Using well dressed young men as his agents, Botwin, confessed "King of the New York White Slave Trust" lured 2,000 school girls from their homes into dens of vice in ten years, he told Assistant District Attorney Smith, who has made the confession public.

Many of his victims were only 16 years old, Botwin told Smith. They came generally from the small towns near to provide amusement for the underworld.

Botwin's agents located around the city.

Hibernians Hold Biennial Meeting

The Convention of the A O H of N B and N S opened at Moncton on the 15th instant. A large number were present. Some of Northumberland County delegates were:

Newcastle—Ald John Kingston, J. Morrissey, Clare McCabe, Fred Dalton, Wm L. Durick.

Chatham—Wm F. Haley, Joseph Grogan, Ald John J. Flanagan, R. Hay, S. H. Fitzpatrick, Ald Wm J. Morgan.

Douglasstown—Wm Pittman, J. W. Triscol.

The Knights attended solemn High Mass at 9 a. m.

They were afterwards welcomed at the Grand Opera House by Mayor McAnn. Stirling speeches were delivered by A. D. Francis, president of Sydney Mines, N. S.; Rev. C. J. McLaughlin, provincial chaplain, of Debec Junction; M. F. Haley, treasurer, of Chatham; Rev. Father Savage, of Moncton, and F. W. Smith, vice-president, Halifax. Expressions of loyalty aroused great enthusiasm.

Father McLaughlin fully sustained his reputation as an orator. He was glad that their organization was holding its own numerically, notwithstanding that more than ten percent of its members have gone to the front.

Business sessions were held in the K of C hall.

Considerable discussion took place with regard to the scholarships offered by the A O H. Each scholarship amounts \$120 a year for three years, and since the A O H commenced giving them twenty-four boys have profited thereby. In the past it has been the practice to provide eight scholarships, and at Tuesday night's meeting the question was up of increasing the number, but it was not thought advisable to make any change at this convention.

Among the resolutions adopted Wednesday night was one expressing sorrow regarding the death of William P. Hayden, of Halifax, who was provincial secretary at the last convention.

A deputation from the A O H conferred with the Ladies' Auxiliary, congratulating the ladies on the excellent way they are conducting their business, and on the great assistance they are rendering in connection with the Order.

The meeting adjourned at twelve o'clock to re-assemble Thursday morning at nine o'clock.

The delegates Wednesday afternoon attended the Merchants' Picnic at Point du Chene.

Wednesday night at At Home was held in the K of C Hall, in honor of the visiting delegates.

The A O H Ladies Auxiliary. The Ladies Auxiliary of the A O H met in convention on the afternoon of the 15th instant, at two o'clock, the following officers being in attendance: Mrs. McARTON, of Woodstock, N. B., President; Mrs. F. W. Smith, of Halifax, N. S., Vice-President; Miss McNeil, St. John, Treasurer; Miss Etta Fogarty, Moncton, Pro-

vention. The convention also decided to have suitable monuments erected at Partridge Island, St. John, and Chatham, N. B., which are the last resting places of Irish immigrants.

The convention also decided to send a letter to the National Vice-President, C. J. Foy, of Ontario, expressing appreciation of the work he is doing for the order.

Among the Chatham lady delegates were Mrs. James Keenan, Mrs. Annie McCabe, Mrs. Joseph Whitty, Misses Mamie Foley, Sarah Creamer and Carrie Synnott.

WHEN YOU ADVERTISE YOU WANT

RESULTS

That's What You Expect to Get when you do advertise and that's where we come in

No matter what paper you have tried, results are sure if you try

The Union Advocate

THE HOME PAPER OF NORTHUMBERLAND COUNTY

Results have been produced for hundreds of others who have tried our columns, and we can make good for you. There are two vital points in the advertising game. The first is to select the paper YOU KNOW has the largest circulation, and the second is to look after your advertising, changing your ad, at least twice a month in a weekly paper. The Union Advocate circulates to all corners of Northumberland County, which no other paper does, and is read by more people each week than any other paper. Is there any reason then why it should not be a better advertising medium than any other paper? If you have any doubts about the above, the subscription lists are open to interested bona-fide advertisers, why not investigate? Is it not worth your while? The Advocate has nothing to hide, and will be only too pleased to prove to advertisers the truth of the above statements. In these war times, particularly, advertisers want the very best possible results to be obtained from their advertising, and unless they use the paper that reaches the most people, they are not getting full value for the money they are spending each year. The

Average Circulation

of The Advocate each month is steadily increasing. From January 1st, this year, until May 31st, more than 43,000 copies were printed and put in circulation, and this without special editions or extra runs—bona-fide circulation only. Nearly 45,000 circulation in five months! These figures should interest every advertiser and non-advertiser within the radius that The Advocate is covering.

What Results are You Getting?

Are they satisfactory, or do you not think you should be getting more? If you have any doubts, why not investigate, and when convinced, investigate the advertising power of The Union Advocate. This will cost you nothing, and may prove the foundation of a successful business. Country merchants will be wise in taking this matter into consideration. Some have already done so, and have received surprising results.

YOU WILL FIND A TRIAL WORTH WHILE

DON'T FORGET THAT WE HAVE THE BEST JOB PRINTING

plant in Northern New Brunswick, and can handle all kinds of job work from a dodger to the very finest class of color and plain black printing. Every bit of work turned out of our office has that nice fine printed effect—no clumsy work, such as comes from poor presses and old rollers. The work is done by experienced hands and the proper touch and color is given to it. Samples sent to Canadian and American printers' journals of art have been most favorably commented on, which shows that work turned out from this office ranks with the best or it would not receive recognition at all. It goes to show further that only the best grades of stock are used. We are also prepared now to do a very fine class of

EMBOSSING

by which your letter heads, etc., are improved fully 100 per cent. Programs, cards and menus can alike be improved by a little touch of embossing, and the extra cost is not very great. Drop in and let us show you samples of our work. We are the only office in Northern New Brunswick that does this class of embossing.

You Take No Chances

When you order work at this office. You can rest assured that you will receive the best of consideration, whether your order be large or small. We make no discrimination. Prices are the same to everybody, and stock to suit every line of business is carried. Examine your supply and then let us hear from you.
