WEDNESDAY HALF HOLIDAY

The action of the Retail Merchants of Newcastle in granting their employees a weekly half holiday for the months of July, August and September, is a move that will meet with the approval of the majority of the buying public, both in Newcastle and the surrounding districts. The merchants of Newcastle are always pleased to render every service possible to the public in general and in this instance ask the co-operation of the citizens in assisting them to keep up this standard, by doing their shopping either Tuesday afternoons or as early as possible on Wednesday mornings, so that the stores may close promptly at one o'clock on Wednesday afternoons, and thus give the employees ample time to assist in the work at home and in the interest of Greater Production, which at the present time is a very vital question.

The half holiday idea is not designed as a matter of convenience for the merchant or his employees, but as a necessary, or rather a war measure, that is being observed in practically every town and city in the Dominion, and in order that that it should be carried out, a provincial law was passed last year making it compulsory for all stores to close one half day each week, in any town where seventy-five per cent of the Merchants request it, but in Newcastle it has not been necessary to invoke that law, as the merchants are a unit on the closing idea.

Constipated Children

Mothers if your little ones are constipated; if their little stomachs and bowels are out of order; if they cry a great deal and are cross and peevish, give them a dose of Baby's Own Tablets—the ideal medicine for little ones. The Tablets are a gentle but thorough laxative and never fail to right the minor disorders of childhood. Concerning them Mrs. Noble A. Pye, Egan Secum, N. S., writes:—"My baby was terribly constipated but Baby's Own Tablets soon relieved her and I now think them a splendid medicine for little." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Mrs. R. Blackstock Matheson of Newcastle has received the following letter from her son Archie, who went overseas with the 122nd France, 10-5-1915

"Dear Mrs. Matheson,

"I regret to inform you that your son has been wounded and is now in 42 Casualty Clearing Station. His injuries are serious. But he is receiving every care and attention and we trust that he may be spared to you, though it will be several days before he is out of danger. If all goes well he will communicate with you. The wound is in the back and necessitates his lying perfectly still, hence he is unable to write you himself. I shall let you know later of progress."
