CO-OPERATION

A good example of what co-operation on the part of our citizens in general can do, was demonstrated last Thursday, when a delegation of our citizens met Supt. L. S. Brown of the C. N. R. and discussed a number of matters which are vital to Newcastle's interests. The reception and assurances given the delegation were most satisfactory and proves conclusively that when you get the necessary co-operation of all citizens, the desired result is almost bound to be secured.

Lack of co-operation in the past is the direct cause for all our difficulties, (which are many) at the present time. However it is never too late to do good, and if our citizens would show the same interest in all matters pertaining to our town which they did in this particular case, we would very soon be able to eradicate a number of the present difficulties and a short time would have a good, live, up-to-date and progressive town. Let us sincerely hope that our citizens have at last awakened and in future co-operate in all matters for the benefit of our town.

"Smashing Barriers"
New Serial at the Happy Hour

William Duncan, who to screen fol towers, is known as the king of serial productions, will be back on the screen of the Happy Hour Theatre beginning Friday and Saturday in a brand new melodramatic chapter play, entitled, "Smashing Barriers." This, according to the producers, Vitaphone, is one of the best, if not the best serial that Duncan has ever appeared in. The last appearance of this husky screen star here was in "The Man of Might."

"Smashing Barriers" has been written with an effort behind it to make it interesting for man, woman or child. It opens up with the action staged at a big Western college, where Duncan as the hero, wins a great football game for his Varsity

team. After a chapter or two, the action jumps to the big open spaces of the west—mountains, lumber camps, etc., where our hero has gone to make his way to fortune for himself.

This new serial is again the product of the pens of Cyrus Townsend Brady, one the most foremost writers in this country, and Albert E. Smith, president of Vitaphone. It is overflowing with new thrills and dare-devil deeds. It is everybody's serial, according to the producers, because it contains every element of good, clean, adventure. It might be the page from any strong, hustling young man's life. Intertwined in the story of Duncan's making good, is a charming romance.

Delicate Girls Made Strong

Rich, Red Blood Needed to Keep up Their Vitality

If growing girls are to become well developed, healthy women their blood supply must be carefully watched. Mothers should not ignore their unsettled moods or the various troubles that tell of approaching womanhood. It should be constantly borne in mind that pale, bloodless girls need plenty of nourishment, plenty of sleep and regular open-air exercise. But a lack of appetite, and tired, aching limbs tend to hinder progress. To save the annual blooded sufferer she must have new, rich, red blood and nothing meets a case of this kind so well as Dr. Williams' Pink Pills. These pills not only enrich and increase the blood supply, they help the appetite and aid digestion, relieve the weary back and limbs, thus promptly restoring health and strength and transforming anaemic girls and women into cheerful happy people. Among the thousands who have obtained new health and strength through the use of Dr. Williams' Pink Pills is Miss Violet Booth, Glenora, Ont. who says:—"For a long time I was in a badly run down condition. I was pale, breathless at the least exertion, and could hardly do any housework without stopping to rest. I often had severe headaches, and my appetite was poor and sickle, and I would get up in the morning without feeling the least bit rested. I had tried several medicines, but did not get benefit from anything until I began the use of Dr. Williams' Pink Pills. When I had taken two boxes I could see an improvement, and after using six boxes I found my health fully restored. I feel altogether different since I used the pills and I strongly advise them for all weak, run down people."

If you are weak or ailing in any way, avail yourself at once of the splendid home treatment which Dr. Williams' Pink Pills so easily afford, and you will be among those who rejoice in regained health. These pills are sold by all dealers in medicine, or may be had by mail at 50 cents a box or six boxes for \$2.50 by writing The Dr. Williams' Medicine Co., Brockville.
