Backward, turn backward, oh, time, in your Make me a child again, just for tonight! Mother evene back from the scholess abore.

Take me again to your heart as of your.

Kise from my forchead the furrows at care.

Smooth the few silver threads out of my hair Over my slumbers your loving watch keep. Rock me to sleep. Mother, rock me to sleep. Backward, flow backward, O swift tide of

I am weary of toil, I am weary of tears; Toil without recompense, tears all in vain, Take them, and give me my childhood again I have grown weary of dust and decay. Weary of flinging my soul-wealth away;

Rock me to sleep, Mother, rock me to sleep. Tired of the hollow, the base, the untrue. Mother, O, Mother, my heart calls for you! Many a summer the grass has grown green, Blossomed and faded, our faces between; Yet with strong yearning and passions

Weary of sowing for others to reap;

Come from the silence so long and so deep-Rock me to sleep, Mother, rock me to sleep. Over my heart in the days that have flown. No love like mother love ever has shone; No other worship abides and endures, Faithful, unselfish, and patient like yours! None like a mother can charm away pain

Slumbers soft calm o'er my heavy lids creep, Rock me to sleep. Mother, rock me to sleep. Come, let your brown hair, just lighted with

From the sick soul and the world-wears

gold. Fall on your shoulders again as of old; Let it drop over my forehead tonight, For with its sunny-edged shadows once more Happy will throng the sweet visions of yore Lovingly, softly, its bright billews sweep. Rock me to sleep, Mother, rock me to sleep. Mother, dear mother! the years have been

long
Since last I was hashed by your lullby song. Clasp to your arms in a loving embrace, Never, hereafter, to work or to weep; Rock me to sleep, Mother, rock me to sleep.

THE PUBLIC SCHOOLS ACT.

Changes Made in the Law Last Session

The Minister of Education has issued the following circular respecting amendments to the Public Schools Act:— By sub-section 7 of section 2 it is made quite clear that a farmer's son or any person assessed for income may be ted Public School Trustee.

2. By section 9 it is provided that no territory distant more than three miles in a direct line from the school house can be included in forming any new school section. 3. By section 23 a newly elected trus

tee may make the declaration of office a Justice of the Peace. 4. When trustees exempt indigent

persons from school rates, they must notify the clerk of the municipality to that effect before the first day of August.

township board is the same as that of a

formed, altered or dissolved by arbitrators appointed by the municipalities interested and the County Inspector.

he wholly within the county, or to the Minister of Education when they lie be-

years by the assessors of the municipalities concerned, and such person as on named by the Inspector of Public

sections are altered.

14. Trustees of cities towns and incorporated villages may require the assessor te furnish them with the names of all greater profits.

children between the ages of 7 and 13. 15. Township councils may levy the sum of \$10) for every school section by uniform rate over the whole township. and the balance required by the trustees over the section requiring the same.

16. Parts of undivided lots are to be situated irrespective of the residence of the occupant 17. Pupils attending rural schools shall

be reported for the purpose of dividing the school grant as belonging to the school they attend. This does not apply to non-residents attending city, town or village schools.

18 First class County Board Certifi-

cates are made Provincial. 19. Teachers who violate an agreement

at Common Law are liable to the suspension of their certificates.

20. It is obligatory in county council to pay the sum of \$150 to each County Model School, and \$25 to each Teachers' Model School, and \$25 to each Teachers' astitute, and also the reasonable traveling expenses of the Inspector.

21. Any teacher who does not wish to Institute, and also the reasonable travelling expenses of the Inspector.

Minister of Education

School Questions and Answers

Editor Toronto World. Kindly say hrough your columns whether:

1. The election of school trustees has en altered as recently proposed by the

Minister of Education. 2. Has there been any change made in the annual payments to teacher's superanuation fund?

3. Have first class teachers' certificates 1. The election of public school trus tees may be held hereafter on the same dev as the municipal elections in cities. owns and incorporated villages, if the school-boards declare in favor of the change. Otherwise the present practice will continue. There is no change in the mode of electing trustees in rural

school sections.

2. There has been no change made i the amount of the annual payment to the teachers' superannuation fund. It will be four dollars, as heretofore, but will

henceforth be optional.

3. First class certificates issued by ounty boards before 1871, that is unde he old law, and now legally valid in any municipality, shall hereafter be legally valid anywhere in the Province during the good behaviour of the holders.

If you have goods to sell, advertise. Don't fail to edvertise in every circus programme. It will help the circus to ay its bills, and the visitors can relieve he tedium of the clown's jokes by look ing over your interesting remarks about

Have your card in the hotel register by all means. Strangers stopping at hotels for a night generally buy a cigar or two before they leave town, and they need some inspiriting food besides. If an advertising agent wants you

Judge Gerald Cummings is a respected resident of Fort Worth, Texas, notwithstanding that he is immensely stout and a member of the legal profession. He assessed in the section in which they are situated irrespective of the residence of his weight, but without any satisfactory

cently, and said to the butcher:
"Cut me off twenty pounds of pork."
The request was complied with. The

judge looked at the meat for some time, and then walked off. "Shall I send the meat to your house.

The Old Doctor's Story.

'I have a little story to tell you, boys,

"I wish you could take this package to the village for me, Jim," he said hesitating.
'Now I was a boy of twelve, not fond

Monday in August. Trustees can not reduce the holidays as heretofore.

23. Where a Separate School is established in the same municipality as a High School, the Separate School trustees may appoint a member of the High Schol Roard.

Now I was a boy of twelve, not fond of work, and was just out of the hey-filld, where I had been at work since daybre at I was tired, dusty and hungry. It was two miles into town. I wanted to get appoint a member of the High Schol Roard. singing school.
"My first impulse was to refuse. and

to do it harshly, for I was vexed that he should ask me after my long day's work. If I did refuse, he would go h meelf. He was a gentle, patient old man. something stopped me; one of God's good angels, I think.

"Of course, father, I'll take it," I sai heartily, giving my scythe to one of the men. He gave me the package.

"Thank you, Jim," he said. 'I w s going myself, but somehow I don't feel

very strong today.'
"He walked with me to the road tha turned off to the town, and as he left pu nts hand on my arm, saying again 'Thurk ou, my sen. You've alwas been a good

boy to me, Jim.!
"I hurried into town and back again When I came near the house I saw a rowd of the farm-hands at the do

One of them came to mo, the tears roll ing down his face.
"Your father!" he said, "he fell dead just as he reached the house. The last words he spoke were to you."

"I'm an old man now, but I have thanked God over and over again in the years that have passed since that hour, that those last words were, You've always been a good boy to me. No human being was ever yet sorry or love or kindness shown to others.

But there is no pang of remorse so keet as the bitterness with which we remember neglect or coldness which we have shown to loved ones who are dead. Do not begradge loving deeds and kind words, especially to those who gather with you about the same hearth.

n many families a habit of nagging rossness, or illnatured gribing, gradual ly covers the real feeling of loye that lies deep beneath. And after all, it is such a little way that we can go together !

Cutting Glass with Scissors.

Many persons may not be aware that est ease to almost any shape by simply In order to insure success, two points nust be attended to-first and most important, the glass must be kept quite evel in the water while the scissors are applied, and secondly, to avoid risk, it s better to begin the cutting by taking off small pieces at the corners and along the edges, and to reduce the shape gradually to that required, for if any attempt is made to cut the glass to the shape as we would cut a piece of cardboard, it will be most likely to break kinds of glass cut much better than and incorporated villages must submit their accounts for audit to the municipal auditors.

the depot, pay him about 200 per cent more than it is worth, and let him put it there. When a man has three-quarters et of the edge presenters of a second in which the purpose. The soissors need not depend on the state of the edge presenters of a second in which the purpose. others; the softer glass is the peat fur ine with the blades. This method of cutting glass has often been of service when a diamond has not been at hand or cutting ovals and segments,
