## Inter-Brigade Football.

C. C. C. 2 Goals—M. G. B. 1.  
The fourth match of the Inter-Brigade series was played on St. George's Field last evening, the opposing teams being the C. C. C. and M. G. B. Being the first meeting of the teams for the season and as both teams were evenly matched struggle was anticipated. There was a large attendance. The personnel of the teams was:

C. C. C. — Phelan, goal; Woods Thompson, backs; Christopher, W. Hart, half; Quick, Bastow, Coultais, Kent, F. Phelan, B. Hart, forwards.  
GUARDS.—Noseworthy, goal; Taylor, Barrett, backs; Squires, Ayre, Peet, halves; Quick, Bastow, Coultais, Jerrett, Jeana, forwards.

Winning the toss the C. C. C. had a slight breeze in their favor. At the outset neither team were in the advantage, the game was fast. Checking was frequent. Ten minutes from the opening during a scrimmage at mid-field, F. Phelan, the C. C. C. centre forward, met with an accident by having his collar bone dislocated. He was unable to continue the game and after being brought to the dressing room was bandaged up by a "first aid" man and conveyed home. A Joy replaced him and when the game was resumed some fast work followed. Coul and Kent for the Cadets showed up well as well as Coultais and Bastow who made several ineffectual efforts to score. A corner was well placed by Coultais and the ball was dropped in the net after being "cannon" off Jerrett's head and first blood was drawn for the Guards. This enlivened the Cadets and just before the half time whistle sounded Rawlins scored the equalizer.

### SECOND SPASM.

Not a dull moment was spent by the spectators as each player put up every effort to win. For a while the M. G. B. had honours in their favour, while the C. C. C. put up an able defence. Fifteen minutes from the beginning of this half Rawlins again scored for the Cadets. The balance of the game was clean, clever and fast, although the Guards had to accept defeat. Mr. W. J. Higgins was referee.

## Littledale Distribution.

The annual distribution of prizes took place at Littledale Academy at 1.30 a.m. yesterday. Before the distribution some vocal and instrumental selection were given and a splendid address was presented by His Grace, Archbishop Howley, from the pupils of Miss Mona Mansfield. An operetta "The Daughter of the Regiment," was performed in a most creditable manner after which His Grace presented the prizes. In the list were four scholarships won by Misses Laura Barnes, Bride O'Connor, Alice Byrne and Marie Smart. His Excellency the Governor and Lady Williams, Miss Dean and Mr. Fitzherbert, P. S., were present and when proceedings closed His Excellency addressed the pupils in a very complimentary and encouraging manner and two valuable prizes donated by him for the two cleverest pupils were awarded to Misses Mansfield and O'Connor. His Grace also delivered a very complimentary address. Quite a number of city folk were present including the following clergymen: Rev. Mr. Chamberlain, of Catalina, Rev. Frs. Tierney, O'Brien, McDermott, Pippy, Kelly, Gough, Sheehan, McCarthy, St. John, Greene and O'Callaghan, Revs. Bros. Ennis and Kennedy, Colonial Secretary Watson. We congratulate all the good nuns of the Academy and the pupils who attend it.

## McMurdo's Store News.

WEDNESDAY, June 26, 1912.

New Century Perfumes well deserve the favour in which they are held as the best value at the price of any perfume in the market. There is included in its list several uncommon odors, as well as the more regular and well known ones. All of them are dainty and fresh, but at the same time strong and lasting perfume, and leave no "dead" or mawkish scent behind them. Cape Jasmine, Red Clover, White Acacia, and White Iris are some of the odors not easily to be found in any other series, and all of them exquisite and distinguished. Price 50c a bottle.

We have just opened a nice line of soups—guest room size cakes, which we sell at the nominal rate of five cents a cake. They are excellent value and a real bargain at the price.

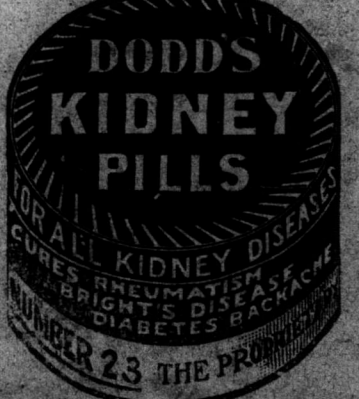

## Not Badly Hurt.

Dr. Tait says that the boy Laurie, who was run over on Barnes' Road by Knowling's motor van yesterday evening, is not as seriously hurt as he at first thought he was. He was stupefied from shock, was shaken up considerably, was out little about the legs and behind, one ear but his injuries are not serious and he will be able to be about again after a day or so.

**WHALING NEWS.**—To date the Puma and Lynx fishing at Rose au Rue have killed fifty whales to date. During the past week the weather has been stormy and no fish were caught. The whaler Cachelot, operating at the Straits, have not yet captured a single whale.
