

**The New Humphrey**  
**Intensified Incandescent Gas Lamp.**  
 Using Ordinary Gas Pressure.

The excellent results obtained with the above lamp may now be seen at the consideration of all business men who desire to obtain the most light at the least cost.

A good example of this system of lighting may now be seen at the West End premises of the Hon. George Knowling, where the new lamps have recently been installed.

We invite comparison, and will be glad of the opportunity to prove the merits of the "Humphrey" Lamp, which we will instal free of charge on trial.
