ANOTHER SPLENDID CURE BY  
DODD'S KIDNEY PILLS.

Newfoundland Man Tells How He  
Found Quick Relief and Perman-  
ent Cure After Two Years' Suffer-  
ing.

STEPHENVILLE, Nfld., May 12.—  
(Special)—Loud in his praises of  
Dodd's Kidney Pills, is Mr. Luke  
Benoit, a well-known and highly re-  
spected resident of this place. And  
there's a reason. For two years he  
suffered from the pains and aches of  
kidney disease, to-day he is a new  
man, and six boxes of Dodd's Kidney  
Pills effected the transformation.

"I cannot praise Dodd's Kidney  
Pills too highly," Mr. Benoit says in  
an interview. "I suffered for two  
years from headache and pains in my  
back. My sleep was broken and my  
appetite failing, and I thought the  
trouble must be in my kidneys.

"I sent to Thomas McMurdo, St.  
John's, Nfld., for six boxes of Dodd's  
Kidney Pills. They helped me al-  
most from the start and now I am a  
new person.

"I recommend Dodd's Kidney Pills  
to all my friends if they should suf-  
fer from pains and aches as I did."

That Mr. Benoit suffered from kid-  
ney disease is shown by his symp-  
toms. Any two of these symptoms  
are proof that your kidneys are dis-  
eased. For diseased kidneys there is  
only one cure that never fails—  
Dodd's Kidney Pills.

\$22,500,000 In  
"Ash Heap."

That Was the United States and Can-  
ada's Fire Loss Last Year Says  
Superintendent of Insurance.

Albany, N. Y., May 6.—That "the  
annual ash heap of the country" can  
be greatly reduced within a reason-  
able time is the opinion of Superin-  
tendent Emmett, of the State Insur-  
ance Department, made public in his  
annual report. "With even a partial  
elimination of arson insurance, so-  
called; with stricter building laws  
rigidly enforced and with the means  
of fire defence in all communities  
brought up to the most efficient  
standard possible, this can be ac-  
complished," he says.

Mr. Emmett figures that the "ash  
heap" of this country and Canada  
accumulated during 1912 represented  
a fire loss of approximately \$225,000-  
000, about \$9,000,000 less than in  
1911, and \$2,000,000 less than the av-  
erage for the last five years.

Married After 46  
Years' Courtship.

New York, May 7.—After a court-  
ship which lasted more than forty  
years, it was learned yesterday, Fred-  
erick Harrison, a wealthy farmer at  
Roseland N. J., married Miss Kate De  
Camp a week ago at the home of the  
bride in Essex Falls. The couple  
are now spending their honeymoon in  
fixing up the old Harrison homestead.

Fifty years ago Mr. and Mrs. Harri-  
son both attended the same little red  
schoolhouse. It was there that their  
long courtship began. As the two  
grew to young man and woman hood  
every one in the little town thought  
that they soon would marry. The  
years went by and Mr. Harrison lived  
alone on his farm and Miss De Camp  
conducted hers. They were often to-  
gether and Mr. Harrison called on  
Miss De Camp as regularly as when he  
was a young man.

On Sundays he washed up the rub-  
ber fired buggy, had the harness pol-  
ished and hitched up to his road mare  
to take Miss De Camp riding. But  
long ago the neighbours gave up all  
hope of a wedding at which the two  
would be the principals. Then yester-  
day morning after church Mr. and Mrs.  
Harrison told of their marriage the  
Sunday before.

Slips On Peel; Loses  
9,000 Francs.

Paris, May 7.—Ludwig Williams, an  
American newspaper man, on his way  
home from the Balkan war, has lost  
9,000 francs by the disappearance of  
a smooth talking man he met in Par-  
is who introduced himself as Stan-  
laus Bernard to the returning war  
correspondent.

Williams, on his arrival in Paris,  
slipped on a banana peel near the  
railway station and got somewhat  
hurt. He determined to sue the city.  
At the United States Consulate he  
met Bernard who posed as a lawyer  
and offered his services.  
Instructing Bernard to go ahead  
and sue, Williams went to Munich,  
ordered his mail addressed to Bern-  
ard, who cashed a check for 9,000  
francs made out to Williams. Bern-  
ard has disappeared.

Picture  
Making  
By Enlarging.

Pictures attract everyone, and  
when amateurs realize that not  
only can they make photo-  
graphs, but by having these  
small photographs enlarged they  
can get real pictures, then the  
fascination of their hobby is in-  
creased a hundredfold. Many  
of their negatives will possess  
a value they did not anticipate,  
as the small direct prints they  
make are often too inconspicu-  
ous to attract attention. We  
make the very highest grade of  
enlargements, and do the work  
promptly.

If you have a small photo  
which you are fond of, have us  
enlarge it for you, and the re-  
sult is sure to please you a  
hundredfold more than the  
small one ever did.

## Greatly Improved.

Mr. James McFarlane, the well  
known cooper of McFarlane Street,  
who for more than four years past has  
been ill and confined to his home of  
tuberculosis, is now able to be about  
and looks exceptionally well. He  
takes the open air treatment in his  
home, sleeps in all weathers with the  
windows open, and is satisfied he is  
on the high road to recovery. He  
looks rugged and ruddy where former-  
ly he was anaemic and listless, and  
has gained 15 lbs. in weight. Mac's  
many friends were delighted to-day to  
see him walking along Water Street  
as sturdily as of yore.
