COMPLIMENTING LONDON OARS-MEN.

Hamilton Spectator: "London-in-the-Woods will crow over the victory of its oarsmen in the inter-club race with the Leanders on the bay on Saturday afternoon. A few weeks ago the Leafternoon. A few weeks ago the Leanders went to London and rowed the London four on the Thames. They at- through in good time. It was a hot tributed their defeat to the fact that race, Tom Cooper winning from Otto they were not accustomed to rowing on creeks, and fully expected to redeem themselves in the return race. The London boys, however, demonstrated that while they have not the same advantages as the Leanders as up the stretch Bald had a hot finish regards water, they are better oarsmen and had an easy victory. They rowed a long, powerful stroke, and had the local oarsmen beaten in the first halfmile. The Leanders' short, quantities stroke was not effective. The Leanders should adopt the Londoners' long, weeping stroke, which is more effective than a short, quick stroke."

CRICKET.

AUSTRALIANS WIN AGAIN. Philadelphia, Pa., Sept. 29.—The second of the series of three cricket matches between All-Philadelphia and the Australians was finished yesterday afternoon, and was an easier victory for the visitors than even the first match. The Australians in one inning scored 422 runs. The Philadelphians then went in and made 144, and were compelled to follow on. Their second inning netted them 207, making a total of 351 runs for their two innings, and giving the antipodeans the match by an inning and 71 runs. The third and concluding match of the series will be started on Friday.

of grain. Vendorship.

Reached on Saturday.

Did the Minister of Public Works write or cause a letter to be written in relation to a contract for supplying coal, to Mr. H. E. Pettet, Liberal candidate in the county of Terrebonne at the late Dominion election? If so, is diseases. Liberal candidate at the said election, author of the letter quoted in Journal govern himself hereafter by the opin-ion of the said Mr. Pettet in awarding

contracts for certain supplies.

Mr. Tarte-I have seen the letter in been a difference the lower tender would have been accepted as a matter of course. But, as they were equal I was free to accept either. In such

like the contract for the supply of coal

If Mr. Pettet wrote such a letter as is given in the question, he did so without my knowledge and the knowledge of the department, and I emphatically disprove of and condemn it. No action has been taken on the tender. It is my determination that in every case in which tenders are in-vited, the lowest tenders shall be accepted if the parties are responsible. The letter mentioned in the question was part of an article of a libelous character, reflecting on the administration of my department, and the letter was used for the purpose of support-Immediately on having my attention drawn to the article, I caused steps to be taken to prosecute the author. and the proceedings now pending in court will be prosecuted as vigorously as the law will permit.

Mr. Pouliot inquired whether on June 23 the late Government had authorized the High Commissioner by cable to sign immediately a contract with the Allan Company for a fastline of steamships between Canada and England at a subsidy of \$750,000 yearly for ten years. Mr. Laurier's reply was that all the papers in regard to the fast line service would be brought down at an early day and that in the meantime he preferred that the ques-
