## SAYS MR. BLAIR

Issues Statement at Montreal, Giving Complete Denial to World Story.

Montreal Dec. 5 -- Hon A. G. Blair ex-chairman of the railway commission, tonight issued a long statement regarding reports that have recently appeared in Toronto and Ottawa paers. Mr. Blair declares all these statements are utterly baseless. He declares that he was never in any plot to wreck the Government; that his resignation of the chairmanship of the railway commission was not intended to hurt the Government; that he was not in any scheme to bring charges against the interior department; that knew nohing about the buying up Terms of sale on application to undersigned. GRAYDON & GRAYDON, 419 f Liberal candidates. He also solemi declares that there is not a word f truth in the story that he was to receive the sum of \$100,000 for his par n the plot or that he received \$20,000 and that he was whipped into silence by a threat that the Government would expose certain matters. Mr. Blair challenges the Government or anyone to produce evidence of anything wrong with which he was con nected. He declares further that he

#### had never any intention of taking part in the political campaign against the Government, and says the story is without the least foundation.
