**PAYS \$14,000, BUT
ONLY GETS WATER**

PATERSON, N.J., Nov. 23.—Ferdinand
Ella, owner of 26 barrels of 100 proof
water, for which he paid \$14,000, today
identified Emil Wentz of Grand Forks,
N. D., as one of three men who con-
vinced him by a tasting test that they
contained 103 proof whiskey.
Ella told the police he had been per-
mitted to select a barrel, to bore his
own hole, to insert a rubber tube and to
sample what ran out. He did not learn
until the trio had disappeared with his
\$14,000 that one of them had connected
the tube up with a rubber bag beneath
his coat which contained real red-eye.

**MAKE BIG PROFIT
IN LIQUOR TRADE**

VICTORIA, B.C., Nov. 23.—The
British Columbia government made a
profit of \$541,608 on liquor sales for
the first three and a half months of
operation under the Liquor Sales
Board from June 15 to September 30,
according to a balance sheet filed in
the legislature this afternoon by Hon.
J. W. DeB. Farris, attorney-general, in
accordance with the terms of the
Liquor Control Act. This does not in-
clude the \$121,000 received from the
sale of permits.
In accordance with the premier's
promises, half these profits are to be
divided among the municipalities on
the basis of school population. Total

assets of the board are placed at \$2,-
502,751 with liabilities of \$1,961,135.
