"I think it my duty to tell you how much your medicine has done for me. I suffered for three years with terrible. Eczema. I consulted several doctors and they did not do me any good.

Then, I used one box of 'Sootha-Salea' and two boxes of 'Fruit-a-tires' and my hands are now clear. The pain is gone and there has been no return. I think it is a marvellous cure because no other medicine did me any good and I tried all the remedies I ever heard of, without benefit until I used 'Sootha-Salea' and 'Fruit-a-tires' cooled the blood and removed the cause of the disease, Keith.

Insurance Is Good, But_

Insurance will, in a measure, repay you for loss from fire due to lightning. But it will not prevent the fire.

It takes the DODD System of Lightning Protection to do that.

In the past thirty years over 300,000 buildings have been rodded by the DODD System and in not a single instance is there a record of the DODD System properly installed, having failed to prevent damage by lightning. The fact that you haven't yet suffered loss by lightning only means that you are fortunate, not that you are proof against it. Ask us today what it will cost you to have DODD protection.
