were reading of a gas meter simply because tiley invaneves tried to do so. Perhaps something the following may several of the something the following may several of the something. There are four dials on most of the meters, the following may several of the something. They call at houses and leave a cake as a bar some and the something that it is for the something that it is the tried and the result need to the groocers to inside the something that it is be tried and the result need to the something the something that it is the tried and the result need to the something the somethi

to quality. Sir Joseph Whitworth, in his evi-dence before the Health of Town Commission-ers, states that the wood most generally used for paving puposes, being very porous, and the nore vertical, or nearly so, the manurs, when pulverized by the action of the wheels, be-gomes so imbedded in its fibre and adheres with such tenacity that it is impossible to re-more it, except when very we or dry. Mr. Elliott, a deputy of the Common Com-ell of London, deputed to report on this class of pavement, states: They absorb and retain wet, foul wet especially; the fibres of the wood being vertical, the upper edges whereof fray out, get, abraded and become like painters' stump brashes, and are almost as permanently difty. Its structure is admirably adapted to receive and give off in evaporation very foul

Jettings About Town. Toronto City Council, R. T. of T., carried o musical and literary program last night emperance Hall. Bro, F. Knibbs presided.

S.O.E.B.S., Brighton Lodge, No. 7, had one in fation and soveral propositions last night Bro. Davis presided. The Medical Alumai of Toronto: University will hold their second annual dinner at the Queen's on Monday evening next.

The annual meeting of the Toronto branch o the Queen's University Endowment Association is to be held this afternoon at 4 o'clock in the lecture room of St. Andrew's Church, King-street west. The valuable sand and gravel lot in Carlton village belonging to the estate of the late George Trimble is advertised for sale by tender by the solicitors of the estate.

tein neglecting a case of Cold in the Hoad or Ca-weather, minsual moisture and sudden changes to cold in the head. A neglected case of Cold in the velocited Catarnh just as certainly develops into this seared with the liability to cold in the head. A neglected these develops into or old, there is peculiar liability to cold in the head. A neglected these develops into a develops into Catarrh, and neglected Catarrh just as certainly develops that a hard lends to premature Death. Medical testimony proves conclusively that a by gradual stages, developed into Catarrh, and then into Consumption, that dread which medical science is as yet unable to cope unocessfully. If you are suffering which medical science is as yet unable to cope unocessfully. If you are suffering which medical science is as yet unable to cope unocessfully. If you are suffering which medical science is as yet unable to cope unocessfully. If you are suffering which medical science is a yet unable to cope unocessfully. If you are suffering the Head, or from any of the numerous symptoms of Catarrh, such as bad breath, if we head achies, droppings from the head intoge the throat, hawking and epitting, inverse from the nostrils, issuing sense of smell, or tasto becoming duil, hacking harges from the nostrils, issuing sense of smell, or tasto becoming duil, hacking ingra feeling of debility, husky voice, a wheesing or creating sound in your chest issuing, a feeling of debility of nausea in the morning, when attempting to disiodre to exariton, a feeling of nausea in the morning. These are but a few of that rge percentage of all the old, which, by gradual sta isease with which medical om Cold in the Head, or f acoumulations in the throat. Do not neglect them, the entring when attempting to dislodg many symptoms of Catarrh, and if you experience any. BE WARNED IN TIME. Do no permit them to run under the mistaken impression that the disease will ventually wear away it will not, but on the contrary will wear away you as it fust thousands before. Procure at once a fit will not, but on the contrary will wear away you as it fust thousands before. Procure at once a fit will not, but on the contrary will wear away you as it fust thousands before. Procure at once a fit will not, but on the contrary will wear away you as it fust thousands before. Procure at once a fit will not, but on the contrary will wear away you as it fust thousands before. Procure at once a thousands of testimonials in our possession telling of marvellous cures. These testimonials we have received from all parts of the Dominion, and we append a few, selected at random, as fair samples of the whole :

Alpha H. D. Dales, Tarbert. Ont., writes Your NASAL BALM has made a new man of ma. I have never used a remedy so satisfac tory. Miss Maggie M. Martin, Terwood, Pa., says. Through a friend in Canada I became acquaint ed with your NASAL BALM. I have suffered for years with Catarrh and it is the first remedy from which I have experienced relief, and I feel certain that it will ensume.

samples of the whole : Mr. Alex. Burns of Sudbury. Ont. says: Gents, I may state that I have been affected Y with catarrh for seven or eight years, and it was attended by consequent symptoms such as foul breath, constantdropping into the throat. hawking and spliting, partial deafoess, ringing T in the ears, and sickening pin in the head dir-ectly over either eye. I have used powders and douches, but all to no effect, the only re-sult arising from the use of such was tempor-ary relief, followed by the usual symptoms in a more aggravated form. The results arising trom the use of Nasal Bulm are sweet breath, stoppare of the droppings into the throat (con-sequent) less hawking and spliting, clearness of hearing, and not once since I began its impo-moning that a careful and persistent use of the "Balm" will effect a ours in the worst case of catarrb. Mr. John H. Adams, merchant, Brantford,

catarrh. Mr. John H. Adams, merchant, Brantford, Ont., says I have used NASAL BALM for catarrh, and found it to be a CERTAIN OURE. W. A. Doyle, Beulah, Man., writes : As a family medicine to oheck Catarrhal affections or Cold in the Head NASAL BALM HAS NO EQUAL. We prize it highly.

ed with your NASAL BALM. I have subered for years with Catarrh and it is the first remedy from which I have experienced relief, and I feel certain that it will cure me. Miss Minnie McNairn, Mile Roches, Ont, says: Your Bottle of NASAL BALM did me much good. The pain in my head disappeared before I had used the bottle, and I find myself receiving the greatest benefit. I am certain NASAL BALM will cure any case of Catarrh if its use is persevered in. James H. McLeed, Mink River Road, N. S. says: I have tried other remedies for Catarrh, but redeved lite or no good from them. Tour NASAL BALM is certainly the BEST REM. EDY Thave tried, and all you claim for it. The factulat it is plensant and convenient to use adds greatly to value, but its chief worth lies in being a CERTAIN CURE for that unpleasant disease- Catarrh. Mr. A. Schleuzig, Toronto, says: For a num-ber of years my with has been badly troubled with Catarrh. Dr. — here promised to cure her, but after using his remedy tor six months she become worse and weaker than be-fore ad I found that I had spent \$36 for medi-cal reatment that did no good. My wife then began to use your NASAL BALM and has im-proved wonderfully, and she is better and eromgret than for years. Your remedy is the best in the market and you can use this as testimony. Emile i Pellitler, Grenville, says: I can Henrietta Blackwell, Parker. Ont., says: Your NASAL BALM is the BEST REMEDY I have yet used for Catarrh. I can breathe more freely than before and my breath has re-gained its sweetness. I consider NASAL BALM a boon to the suffering.

Estimony. Bindle iPellitier, Grenville, says: I scarcely find words to tell you how highly prize NASAL BALM. Its effects in my ca have been wonderful.

d W. Chas. Hanley, postmaster, Spry Bay, N.S., snys:-I submits the following to the public that any who may be afflicted may be benefitted by the same remetry. Two bothes of your NASAL BALM have RESTORED to PERFECT HEALTH a four-year-old child of ours, suffer-ing from Catarth.

ALREADY SOLD. People buy it because it is selling in lots at lower prices than less desirable properties are selling by the acre. Because it is high, level land, close to R.R. station, in full view of lake and city Because the success of Mimico is certain, and will give large gains in the near future.

Prices for April Only \$5 to \$10 Per Foot.

ARGEST : VARIETY : IN : THE : OITY. ALL GOODS PRICED TO SUIT THE TIMES. 613 M. STAUNTON & CO.. 4 and 6 King-st. W., Toronto.

Mr. A. Jay Cross of Philadelphia, specialist

A number of sharp women, claiming to represent a Chicago firm, are canvasing several Ontario counties with the pretended by a control of the count of the control of the count of the control of the count of the control of the control

block pavements, whether said other defects. Gertainly it may be claimed Toronto is not a city of a damp climate unless in the spring and fall, but the growing extravagance in the use of hoses for watering boulevards late in the day or early in the morning gives enough uposture even in mid-summer to bring out a produce the second second second pavements. Whether low fever or malaria increased out of proportion with the growth of the city is a matter that the Health Department should and probably can deter-mine, but after an absence of some years, it appears to the writer the medical profession has inmensely increased. Finally, if there is any merit to be gained by the cedar block system it has been gained, and one can only suppose that this merit consisted in the fact that when first introduced good cedar was produced the did the outly first sit was in the sit at a moderate outly, the matter of hygnene being not then regarded, as it was in variancy. The Egg Conundrum. days. hers are coming. tion meeting last night. The Town Council must tackle the dust question at its first meeting.

Mr. R. R. Holt, late of Barrie, has opened a real estate office in the Campbell block. A company is talked of to lay a street car rack along Dundas-street and down to the The Egg Conundrum. Editor World: One way of showing where

they .

0

difference occurs is by dividing eggs into separwater front. ate parcels, thus: 80 ergs at \$ for 5 cts. 20 parcels at 5c ench, \$1.00 \$0 *** 5 ** 5 ** 12 *** 5c ** 60

32 120 eggs at 8 for 10c. 15 parcels at 10c each \$1.50 In the first case the 120 eggs are divided into 32 parcels at 5 cents each, or 16 at 10 cents each; in the second into 15 only, at 10 cents. W.M.V.

Editor World: It would be rather strange if it did come out even. If the man had bought as follows it would have been the same: 60 at 4 for 5=15 purchases 5c...... 60 "=15" 5c..... 75 75

water irons. " 50 " 60 " 50 " 60 " 50 " 100 " 50 "

sites. All the real estate offices were open. Mr. McCormack, of McCormack & Jack-son, the big coal and wood firm, along with Mr. Boon, has bought the Hook property on Dundas-street, running north to the C. P. R. station, and bounded on the east side by the Weston-road, about 9 acres, and paying there-for \$80,000. It is to be cut up into lots. It is a big transaction.

Sale of Fine China.

From Police Blotters.

Personal Mention.

is a big transaction. Noblesse Oblige. [From Puck.] There's a good deal in human nature after

undergoing repairs.

\$1 50 .\$1 50 Sold 8 for ten=15 sales 10c......\$1 50 But this is what he actually did: 60 at 3 for 5=20 purchases at 5c.....\$1 00 ont which he is ahead 25c.....\$1 00 all. A dollar insurance assessment is a dollar 60 insurance assessment, any way you look at it, 60 at 5 for 5=12 purchases at 5c 9n which he is short 15c;;15c. from 25c. amount short. but it does take several cents' worth of sting out of it when the Past Grand Worshipful

Out of it when the rast grand worshipful Exalted Treasurer merely reminds his Worthy Grand Venerable Brother that \$1 is required of him by Royal Grand International Adullam Ledge, Venerable Machpelah Chap-ter, No. 29. "Dear Sir—yours truly" wouldn't fetch him half so quick. \$1 60 \$1 p0 or he put it another way; he made 32 pur-chases at 5c. and only 15 sales at 10c., so. he has lost the price of one sale on his purchase. A. M. BOWMAN.

Much distress and sickness in children is caused by worms. Mother Graves' Worm Ex-terminator gives relief by removing the cause. Give it a trial and be convinced. Editor World: In regard to your egg problem of this morning 1 offer the following solem of this morning 1 oner the following so lution. There are 20 lots of the 3 for 5c., 12 of 5 for 5c., which gives average 16 lots. Of second set there are 15 lots, which leaves difference of 1 lot; and I lot at 10c. makes up the deficiency. A U. C. COLL, BOY. E. & A. Gunther's big clock at the corner of Jordan and Melinda-streets is at present

Mr. Hague Might Supplement It.

Editor World: In your paper of Thursday under the caption, "How Wall-street Re-Sale of Fine China. On Taesday next Mr. Lydon will sell by auction in the Art Saleroom, 51 King-street, a very fine assortiment of clinua dinner, tea, dessert, and chamber sets, with a large quan-tity of other china articles, just received from Eugland and to be sold to the highest bidder. under the csption, "How Wall-street Re-wards Honesty," was a despatch from New York relating the finding in the postoffice in that city of a package containing \$31,000, its return to the bank which owned it and the munificent gift by the bank of \$5 to the finder "as a reward for his honesty." It might in-terest your readers to know that \$12,000 of the prockage was in cash and \$19,000 in the form

In attempting to arrest Molly O'Brien, 72 Lombard street, on Church street last night terest your readers to know that e12,000 the package was in cash and \$19,000 in the form of a certified check, and that the institution which bestowed such a generous reward was the New York office of the Merchantz' Bank of Canada. YANKEE. Policeman Duncan got rather roughly handled. The assailants of the officer, with Molly, sucthe Ne-of Canada. Toronto, April 19.

The assaliants of the onicel, with Monty, oce ceeded in making their escape, but the woman was subsequently arrested. No. 94 Wolseley-street was broken into on Thursday night and a gold watch carried off. An empty house, 258 Sherbourne-street, own-ed by Mrs. John Crowther, was entered some time last week and all the blumbing fixtures ethlor. All completent authorities, prominent among them being F. F. Roberts, M.D., Professor of Chemical Medicine at University College Hospital, London, Eng., says "Bright's dis-ease has no marked symptoms of its own, but takes the symptoms of other (so-called) dis-eases." If you have headache fickle appetite, failure di evesight, tube casts in urine, cradutime last week and an the numbing ixtures stolen. Mary Kelly, a middle hard woman, is a prisoner at Headquarters, charged with steal-ing two horse blankets. The police yesterday morning found a de-serted infant on the steps of Mrs. Watson's resi-dance, 157 Simcoe-street, yesterday, sending it to the Infants' Home. failure of eyesight, tube casts in urine, gradu-failure of eyesight, tube casts in urine, gradu-al loss of fiesh and dropsical swelling, extreme walcefulness, distreasing nervousness, do not neglect such symptoms, or you will eventually have Bright's disease, or some other effect of metheoted Tedney disease. Take Warner's Bafe Cure, the only recognized specific for this disease.

Preparing to Tender.

announced, the room of the Building nittee of the Board of Trade was open Committee of the Board of Trade was open seterday and the plans and specifications for the new building were held for inspection, under the supervision of the architects, Meases. James and James. There were a large number of callers during the day, most of whom were contractors, preparang their es-timates with a view of entering, tanders for the various works to be done.

Undertaker McCabe, under instructions from Coroner Johnson, yesterday, interred the re-mains of the Bamsley infant in St. James in lenses for the eye, will again visit Messra. J. E. Ellis & Co., jewelers, King-street, on Monday next, the 22nd, to remain five Easter Bells. Easter bells! glad Easter bells! Ring your "silver jubiles!" Earth's Redemption-chorus swells In your matin threnody; Breaks the light o'er lands afar, Long in error's sodden'd sway; Young Liberals' Meeting Postponed. Young Liberals' meeting reseptates. The meeting of the Young Liberal Club has been postponed from Monday to Tuenday night on account of the meeting at the Granite Rink, at which the "13" will be present.

Peal with joy for Easter moral Golden glory gilds the sky. Once, the Son of Mary bora, Born for human weal to die, By the Cross and Passion paid All the penalties of sin For the full atonement made, Rising brought the Easter in.

So, sweet bells, ring hope and peace Unto all who hear your chime; Bid the restless surgings cease, Quel the turbulence of time; Laud the right, and lash the wron Praise the truth, and on your wings Bear her Easter triumph-song, Till the world its homage brings.

Easter bells ! clad Easter bells ! Ring for freedom's golden reign. And the harmony which dwells Where her peacetul laws obtain ! Peal for Christ, and crown Him King ! By his grace our souls are free; Then your silver tongues may sing. Easter golden jubilee. L. A. MORBISON.

Easter Hymns. O Lord our God, who ruist above, Accept our earthy works of love, And fill our souls with faith, to prove. Thy Majesty.

Let the Gospel's seed take root and bloom And flowers of faith dispel the gloom, For Christ has risen from the tomb In Majesty. Let ev'ry tongue Thy praise proclaim, Let ev'ry knee bow at Thy name; Jesus the King, Thou'rt still the same In Majesty.

The heavens with Thy name shall ring. And coupliess angels endless sing ; We'll live with Thee, our Lord and King, In Majesty.

-ELOISE F. SKIMINGS. Goderich, Ont., Canada. In Bethel's Vale of Tears.

I. Upon a lawn of silken smoothness played A little group of children, lightly they Garroll'd their songs, it was a summer's day Nigh unto eventide; the shadows swayed In waving swarths low o'er the clover lands Amber and purple thusd; the tall stocks seemed seemed Like golden tassels, whereon brightly streamed Pure azure light. Nay, they like jewelled

Pure azure light wands; whence splendors Seemed held by fairy hands; whence splendors II.

II. And they who gambol'd on the grassy lawn Were nobly-born children of wealth and worth Whose sires held converse with the great of earth-Whose palaces sublime beheld the dawn Long ere on humble cottages it smiled Or crossed the lowly threshold of the poer. A little child who came beyond the moor Beheld their play till by youth's hopes be-guil'd The gentle child doth merriment allure.

III.

But one a stalwart youth of all most strong Bade him upon his errands quickly move. The sweet child bowed and then with word o

love Bade fond adieu, th'while the giddy throng With idle taunts and boyish boastings jeered, But soon he to the parent cottage came In tears of tenderness that damped the flame Upon his cheek and home by youth enderned. Ho now the more revered home's hallow'd parts

IV. Hush I't is the muffled roll of mighty years Commingling with the calm decay of walls, And crumbling palaces, that now recalls This past'ral scene in Bethel's vale of tours, Profusely decked and ambervuis, The olive, almond and the amber vine, Ciuster as of old, the wild eglantine Creeps of er the walls and through theroofs un-tiled. Queen Victoria is exceedingly fend of tapioca Mr.N. McGregor, Principal of the High School, Omemoo, is in town. Mrs. E.izabeth Stuart Phelps Ward is visit-ing her old home at Andover. Hor health has been entirely restored by her winter at the

South. Sir Morell Mackenzie has gone to the Canary Isles for much needed rest. His health has suffered sectous impairment during the past winter. tiled. Christ was that child, the land 'twas Palestine -W. A. SHERWOOD.

Holloway's Corn Cure destroys all kinds of corns and warts; root and branch. Who then would endure them with such a cheap and effectual remody within reach? winter. Mr. George L. Perrin, late treasurer of the Toronio Opera House, left last night for Sault Ste. Marie. to assume the chief corksilip of the big now hotel, The Algougilu, in that town.
