

NEW CAB BY-LAW.

The Regulations Simplified and Fees Reduced.

The Police Commissioners have amended the cab by-law, and all cabs and drivers will receive copies of the amended by-law immediately.

First division: That portion of the city bounded by the waters of the bay on the south, Bathurst-street on the west, Sumach-street on the east and Bloor-street on the north, and the west side of Bathurst-street, north side of Bloor-street and the east side of Sumach-street shall be included in this division.

Second division: That portion of the city outside the limits of the first division, and bounded on the west by Dufferin-street, on the north by city limits, on the east by Pape-avenue, and the east side of Pape-avenue, shall be included in this division.

Third division: That portion of the city lying outside the limits of the second division.

The tariff for conveying one or two passengers from one point to another within the limits of the first division will be 30 cents, and for each additional passenger 25 cents.

The Electrical Department Present Their Expenses for the First Six Months of 1892.

The Board of Works yesterday recommended the acceptance of the tender of the Getta Percha & Rubber Manufacturing Company for 300 tons of caulk.

It cost the city about \$1200 to find out that the trolley system was the only one in working order at present.

Woman has given us an awful shock. In a column of heritess entitled "This and That" it publishes this week the following statement: "Lord Tenyson, it appears makes it constant practice to employ a rhyming dictionarist when writing his poems."

That Homeless Girl. In an article entitled "They Turn No One Away" which appeared in yesterday's World, reference was made to an article in the Sunday World of May 1, the Y.W.C.A. Guild being mentioned as refusing admittance to a girl who was homeless and penniless.

Editor World: It has come to my knowledge that the Impression is getting abroad that owing to the low water in Oakville Harbor no steamboats will this year.

It is true that owing to the water generally prevailing it has been found necessary to have some dredging done, and the amount of work done in a number of places has already taken steps in the matter, and by the time the usual opening of the season, about the 30th May, Oakville Harbor will be accessible as usual, and I trust that we shall this season, as in previous ones, be gladdened by the advent of many summer visitors and excursionists, whom will be cordially welcomed by the people of Oakville, May 14.

Engineer Brough Follows Suit. The following letter explains itself: Mr. Hamilton, Esq., Superintendent Toronto Waterworks:

Dear Sir:—I herewith enclose some of the keys of the treatment has the remainder. As there is no special provision in my increased law dealing with leave until some other arrangements can be made.

Four Showmen Killed. Atcheson, Kan., May 17.—The first section of Ring Kinner Bros' circus train, east-bound on the Central Branch Railroad, was derailed one mile east of Concordia at 2:40 o'clock this morning.

Several caddis are easily cured by the use of Nickle's Anti-Consumptive Syrup, a medicine of extraordinary merit for curing consumption. It is acknowledged by those who have used it as being the best for coughs, colds, inflammation of the lungs, and all affections of the throat and chest, and is superior to the taste makes it a favorite with ladies and children.

A Chival-Butting Bee. An invitation has been issued to all the residents between Broadview-avenue and Leslie-street to assemble at the west end of Ashbridge's Bay, when some of the islanders are thought to cut through the sand and sink a little fresh water into the bay.

A POSTAL CARD WILL REACH US
