A very successful picnic of the
McPhedran family from Camlachie
and Sarnia took place on Wednesday
August 15th at Crinnian's Grove.
There was a large number present
and a notable attraction was the
presence of the first McPhedrans,
four generations. The afternoon was
busy with one event after another,
races, baseball, etc., and about six
o'clock all sat down to a chicken sup-
per. The picnic was a success in
every way and it was unanimously
decided to continue having a re-
union each year.
