BRIDGETOWN DEFEATS DIGBY

The Tuxis Boys Won the Debate Last Friday Evening At Digby

Bridgetown's Tuxis debaters, James Fay leader; Maurice Armstrong and Charles Longmire, accompanied by several other boys, with their parents, Mayor W. A. Warren, Rev. E. Underwood, Principal Archibald and members of the teaching staff, totalling a party of about fifty left Bridgetown via Friday's express for Digby.

After a pleasant trip, notwithstanding the disagreeable weather, they arrived at Digby in due time, where they were heartily welcomed by a committee. After walking about the town, visiting the schools and other places of interest, some located at hotels while others visited friends at private residences.

At eight o'clock all met in the Baptist church which was filled to the limit, about four hundred being present to listen to the debate.

The chairman was Rev. Wm. Driffield, rector of Trinity Parish, who, as usual, attended to the duties in a very genial and capable manner.

The Digby debaters were Kingsley Collins, leader; Alton Snow and Gordon Potter.

The subject was the same as the one debated in Bridgetown by the Middleton boys, "That a Union of the Maritime Provinces is Advisable." Digby had the affirmative and Bridgetown the negative. The judges were Rev. C. H. Balcom, of Paradise; R. E. Thurber, principal of the Bear River Academy and Mr. R. C. Sidenius, of the Y.M.C.A., Halifax, who takes a deep interest in boys' work.

The debaters held the closest attention of the audience and when the judges retired it was difficult for many who were present to name the winners.

While the judges were out, the chairman called on Mr. H. B. Hicks, Dr. M. E. Armstrong, J. T. Archibald, Capt. W. R. Longmire, F. R. Fay, Rev. E. Underwood, Mayor Warren, and others, all making appropriate remarks.

Mr. Sidenius, speaking for the judges, announced the result as follows: Bridgetown 934 points, Digby 848, Bridgetown thus winning by 86 points.

After the usual cheers Mr. A. L. Davidson, M. P. the donor of the trophy, won by the Bridgetown boys, was called on and gave a very interesting address.

Rev. Mr. Driffield announced that the meeting would close with the National Anthem and that refreshments awaited the visitors which would be served in the adjoining vestry or Sunday School Hall.

Here the ladies' committee made all enjoy themselves. Mayor Warren, of Digby, met Mayor Warren, of Bridgetown, several of the gentlemen and ladies made new friends and a very pleasant hour was the result.

The midnight train was due at 12.01 and the crowd was at the station on time.

All stations are closed at night between Yarmouth and Annapolis and no one could find out where the train was.

As the weather was cold and raw many went down to the Waverly Hotel to take advantage of the warm parlor, office, smoking and reading room, whether they had been guests at that hotel or not. The proprietor, Mr. W. J. Agate, was in St. John, but his daughter, Miss Emily Agate, studied the best interest of her patrons, the house being well filled.

Finally the railway station was opened and the majority of the visitors spent the remainder of the night in the waiting room.

The "midnight" arrived about 8.15 a. m. having been off the track about two miles east of Weymouth. She left Digby at 8.45 arriving at Bridgetown at 10.20, thus completing the first trip of the Bridgetown Tuxis boys' debaters and their friends which we are pleased to state was a successful one notwithstanding the great inconvenience caused by the lateness of the train.

EXTREME MISERY DAY AND NIGHT

Follows a Breakdown of the Nervous System.

Misery day and night is the lot of hosts of men and women who are to-day the victims of weak nerves. Thin, pale, drawn-faces and dejected attitude tell a sad tale, for nervous weakness means being tortured by morbid thoughts and unaccountable fits or depression. These sufferers are painfully sensitive and easily agitated by some chance remark. Sleeplessness robs them of energy and strength; their eyes are sunken and their limbs tremble; appetite is poor and memory often fails. This nervous exhaustion is one of the most serious evils effecting men and women of to-day. The only way to bring back sound, vigorous health is to feed the starved nerves which are clamouring for better blood. This new blood can be had through the use of Dr. Williams' Pink Pills, which have a direct action on the blood, and through the blood on the nervous system. That a fair use of this medicine will bring satisfactory results is shown by the experience of Mrs. Marsh, Bass River, N. S., who says: "Following a run down condition, I became practically a nervous wreck. The doctor who was called in said the trouble was inflammation of the nerves. It grew so bad that practically I had no control of my lower limbs, and had to go about on crutches. Quite aside from my suffering I had a small family and a baby in arms to care for and I became much discouraged, as I did not appear to be growing better. One evening my husband met an aged doctor on the street and told him of my condition. He asked my husband who was attending me, and when told said: 'I don't want to interfere but why not try Dr. Williams' Pink Pills?' My husband got a supply of these pills and after taking a few boxes I was able to go about with the use of one crutch. Continuing the use of the pills I was able to discard the other crutch as well and was as active as ever I had been. There are many in this neighborhood who know what my condition was when I began the use of Dr. Williams' Pink Pills and who know what this medicine did for me, and I hope my experience may help some other sufferer."

Dr. Williams' Pink Pills are sold by all dealers in medicine, or may be had by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

A BIRTHDAY PARTY AT MOUNT HANLEY

A Surprise Birthday party was given to one of our aged residents on Monday evening, March 14th, 1921, it being the 80th birthday of Mr. Zebulon Elliott. A large number of relatives and friends gathered to congratulate Uncle "Zeb" on being so lucky to reach his four score years, in good health. Ever since he can remember he has never taken any medicine not even a "pill". A very pleasant evening was spent by games, music, etc., and a bountiful refreshments of ice cream, and cake was passed around by the young ladies. A special birthday cake deserves mention, made by Mrs. L. H. Elliott, with Zebulon Elliott 80 years old, 1921, on it, was very beautiful, but was not passed around as they advised the celebrator that the longer he kept the cake the better it would be. At the close our Pastor Rev. M. N. Brown spoke very interestingly on the changes of 80 years ago especially on the sociability of the people in that time to what it is now, and urged us all not to forget to be sociable in every day life, and he again said how thankful Bro. Elliott should be that he and his "better half" had been married 58 years, 9 children being born to them and every one living, several grand-children and great grand children too. Rev. Mr. Brown presented him with a few presents and a sum of money from those present and a purse of money from his children in Boston, Mass., and when the wee small hour was drawing nigh, prayer was offered by the Pastor, Music by Mrs. J. N. Hines with Singing by choir, "God be with you till we meet again." All dispersed to their homes feeling that it was an evening well spent and long to be remembered. ONE PRESENT
