Mr. J. W. BURT, Coningsby, Ont., whose a lot appears in another column, is offering some very fine Aberdeen-Angus cattle for sale. Mr. Burt's stock on the dam's side comes from the famous Victoria family, a noted show yard strain in Great Britain, and are descendants of the famous bull, Black Judge, of the Kennel Park herd. His young stock is in good condition and are nice, even, straight animals. Milton of Willow Grove, bred by A. Stewart & Sons, Lucasville, Ont., is at the head of Mr. Burt's herd and comes from a good milking strain. This stock bull Mr. Burt is offering for sale, as well as some fine young stock.

MESSRS. S. I. PEARSON & SON, of Meadowvale, Ont., announce in this issue a dispersion sale of their fine herd of Shorthorn cattle. The sale takes place on March 22nd, and will no doubt attract a large number of buyers from all parts of the country. There are some remarkably fine animals in the herd, many of them belonging to the best show stock in this country. The imported bull, British Statesman, bred by the late Mr. Sylvester Campbell, of Kinellar, Aberdeenshire, is one of the best in Canada, and the catalogue of sale includes a fine lot of yearling bulls, fit for service; a number of yearling and two year-old heifers, the majority of them being sired by British Statesman. The yearling bulls include Scotch Statesman, sired by imported British Statesman, out of imp. Mina Lass, by Gravesend; Closter Statesman, by British Comet, a son of British Statesman, and Nonpareil 39th; Royal Champion, by imp. Grand Sweep 17095, and Canadian Duchess of Gloster 18th, by imp. Knight of the Garter; Royal Statesman, by British Statesman, out of Sowerby's Lass, by Mina Lad, and a number of others equally as good. The females comprise a number of cows and heifers of exceptional merits from such well known Scotch families as Nonpareils, Minas, Jills, Cecillas, Bessies, and Duchess of Gloster, sired by the best imported Cruickshank and Campbell bulls. Amongst them are the imported cow, Mina Lass, the dam of some remarkably profitable youngsters; the two-year-old heifer, Nonpareil 50th, by British Statesman, out of Nonpareil 39th; Mina Lass 10th, by the same sire; Nonpareil 51st, Nonpareil 53rd, Jubilee Jill, Cecilia 12th, all sired by British Statesman and Sowerby's Lass, by Mina Lad, bred from the first-class families mentioned. The proprietors will be pleased to mail a copy of their sale catalogue to intending purchasers on application. Meadowvale is on the Orangeville and Teeswater branch of the C.P.R., two miles from Streetsville Junction and five miles from Brampton, on the G.T.R.

In response to our request for the address of anyone having a copy of our issue for Sept., 1893, we have received nearly one hundred replies and more than twenty copies of the number wanted. At first we answered every one individually who was kind enough to write us, but the number increased until we found it impossible to continue doing so. We trust therefore that our friends will accept this method of thanking them for their trouble. We only required one copy, and that was very promptly supplied by Mr. Jas. S. Henderson, of Rockton. The others received will be returned to those who sent them in all cases where the address has been given.
