**THE GREAT WORK FOR DAIRYMEN IS  
WILLARD'S  
Practical Dairy Husbandry.**

MR. WILLARD is widely known as the *Best Authority* on all matters pertaining to Milk, Butter and Cheese. This *Great Work* contains about 550 large octavo pages, fully illustrated, and handsomely printed and bound. It tells all that is known to date about Milk and its By-products, including Butter and Cheese Factories, Dairy Utensils, &c., &c. Price \$3. As this book is sold by Subscription, we want an active and reliable Agent in each County throughout the United States and Canada, to whom a liberal commission will be given. Send for Circular, containing terms &c. To any person residing where we have no Agent, or who cannot wait for one, the Publisher will send a copy, post paid, on receipt of price, \$3, (or for \$5 the book and *ILLUSTRATED NEW-YORKER* one year.) **THE YORKSHIRE  
CATTLE FEEDER**

**FOR** fattening and bringing into condition  
**Horses, Cows, Sheep, Pigs, &c.**

It is highly recommended by the Professors of the Veterinary Colleges of Great Britain. It is composed of purely vegetable extracts in a condensed form. It regulates and keeps the stomach in a healthy condition. It is held in high reputation by first-class breeders of stock throughout Europe and Canada. Stock fed with the Yorkshire Cattle Feeder have in every instance wherever exhibited taken first prizes. It has been awarded complimentary recommendations from agricultural societies for the great benefit they have derived from its use in the raising of stock. It fattens in one-fourth the usual time. A dollar box contains 200 feeds.

Sold every where.
