Cleanliness

The most easily cleaned
Separator is

THE Melotte

Send
for
our
Booklet

A perfectly smooth porcelain-
enamel lined bowl, smooth
surfaced plates, no holes, tubes
or inaccessible corners.
Everything within reach and
in sight

It Tells
the
Whole
Story

These advantages cannot
be over-estimated both on the
score of cleanliness and quick-
ness of cleaning. In the other
features—Ease of Operation,
Oil Economy, Durability,
Simplicity of Construction
and Cream Returns, the Mel-
otte leads all other machines.
