

the necessary personal attention to whatever they exhibit. Necessary attendants upon live stock and workmen actually employed to attend to machinery, will be furnished with admission tickets free, with their names written upon them, which tickets will be good at the *Exhibitor's Gate only*, during the show; such tickets to be obtained from the Secretary by personal application.

12. All articles for competition shall be the production or manufacture of the exhibitor; field produce must be the growth of 1878; and all live stock must have been owned and kept by exhibitor in the Province not less than three months prior to the Exhibition.

13. Articles from other countries, and especially from other Provinces of the Dominion, are solicited, but not for competition. The Committee will have the power of granting a limited number of honorary certificates for such articles.

14. All expenses incurred in the conveyance of articles or animals, to and from Truro, placing them in the Exhibition, and maintaining them there, shall be borne by the exhibitors, who must likewise undertake all risk of loss or damage. Articles must in every case be delivered and unpacked free of expense to the committee.

In Class IX., and for all miscellaneous exhibits, similar to those embraced in this class, "Delivery Checks" will be furnished, when such articles are given in charge of Exhibition officials, and no such exhibits can be removed from the building, unless these "Delivery Checks" are presented to those in charge of the Department.

15. Each exhibitor will receive from the Secretary an entry ticket for every article to be exhibited by him, and he is required to affix such ticket upon the article or animal which he exhibits, or on the stalls.

16. When fewer than three competitors appear for any prize, and where the articles exhibited are of inferior merit, the judges shall have the discretionary power of awarding or withholding prizes or reducing their values. No articles can take two prizes, or be exhibited in two collections, unless the contrary is distinctly expressed in the prize list. In estimating the merits of live stock the judges are requested to take age into consideration where animals of different ages are competing against each other.

17. The committee are required to reject articles which they shall consider unworthy or unfit for exhibition.

18. No person shall be allowed to enter for exhibition more than one specimen (or required quantity) in any one section or class. This rule is not to apply to animals.

19. During the exhibition all vegetable

products and manufactured articles shall be under the control of the Exhibition Superintendents, and all live stock shall be taken charge of by their owners,—the Superintendents giving all practicable assistance in providing the necessary accommodations and food. Hay, straw, oats and roots will be supplied on the grounds at reasonable prices, and there will be a free supply of water.

20. All articles exposed for sale shall have the price affixed, and be sold by the owners, or by parties appointed by them for that purpose. No auctioneer will be allowed to sell animals or articles on the grounds or in the building, without the written permission of the President or Secretary of the Committee, and the time and place of sale specified in such permission must be strictly adhered to.

21. Articles sent for competition or exhibition shall not be removed from the exhibition rooms or grounds, till the time appointed, under forfeiture of any prizes or awards that may have been made to the respective exhibitors.

22. Any person who shall attempt to interfere with the judges while in the discharge of their duties, or who shall attempt to influence their decisions by his presence or remarks, or who shall afterwards, within the limits of the show grounds, use any contemptuous or abusive language in consequence of any award made, shall forfeit his right to any premiums to which he might otherwise be entitled, and be otherwise dealt with as the Committee may determine.

23. Any exhibitor who may feel aggrieved in consequence of any irregularity, is requested simply to draw the attention of the Committee of the Department, or of some member of the General Committee to such, without entering into any discussion apt to cause hindrance or distraction. Should he not receive what he may consider sufficient redress on the spot, he must nevertheless abide by the decision given, but he may, at the close of the Exhibition, bring the matter before the Committee by written statement, with a view to full enquiry.

24. No animal can be admitted within the enclosure that has not been previously entered in accordance with Regulations 6 and 7, and animals of an inferior character, unworthy of a place in the Exhibition, will not be admitted under any circumstances.

25. Space will be provided for any article that may be forwarded for exhibition, subject to approval of Committee, apart from such as are mentioned in the Prize List. Awards of merit will be given for such, all of which exhibits must be entered on the Secretary's Book in the manner prescribed for those that come within the Prize List.

29. Exhibitors must supply themselves

with proper fastenings for safely securing the animals in their stalls. All bulls over nine months must have nose-rings.
