

INDEX.

A		
Address to the Chemical Section of the British Association.....	205, 247, 270	FOLIO
Advertising Miscellany.....	24, 288	
Aerated Milk.....	150	
Albumin in Urine, Spiegler's Test.....	158	
Alcohol, Experiments in Freezing.....	69	
Allan's New Drug Store.....	23	
Alligation in Pharmaceutical Calculations.....	205	
American Pharmaceutical Association.....	31, 32, 38, 39, 51, 71, 281, 282, 377, 400, 427	
American Pharmacy Fair.....	218, 239	
Anaesthetic Antiseptic Liquid.....	150	
Analytical Alkaloidal Chemistry.....	267	
Analytical Work of the Pharmacist.....	399	
Animal Extracts, The rise of.....	92, 199	
Aniline Stains, The.....	257	
An odd Coincidence.....	110	
Answers to Correspondents.....	144	
Antiseptic Powder.....	168	
Antikamnia Substitution.....	108	
Antirabic Vaccinations at the Pasteur Institute.....	179	
Antitoxine Treatment, The.....	257, 306, 327, 328, 389, 399, 410	
Antidote for Carbolic Acid.....	282	
Antikamnia.....	324	
Antitoxine in Salem.....	372	
Appendicitis Fad, The.....	156, 212	
Appointment of a City Bacteriologist.....	325	
Argon at the London University.....	390	
Artificial Perfumes.....	159	
Artificial Opium, Notes on.....	368	
Assafoetida Plants, The.....	257	
Assay of Antiseptic Dressings.....	275	
B		
Bacilli in the Air.....	178	
Bacteria and Bacteriology which the Druggist should know.....	339	
Baking Powders, Composition of.....	317	
Balsam Copaiba Teste.....	158	
Bemrose, Joseph.....	132	
Bibliography.....	394	
Bismuth Breakdown, The.....	118	
Bitter Kola Nuts.....	316	
Black Currant Liqueur.....	210	
Blackboard Paint.....	395	
Book Reviews.....	290	
Borax, The Sources and Application of.....	102	
Botany as a Pharmaceutical Subject.....	124	
Botany for the Pharmacist.....	128	
British Pharmacopœial Preparations, observations on.....	33	
British Pharmacopœia, From a Prescriber's Point of View.....	422	
British Pharmacopœia.....	154	
C		
California Borax Mines.....	155	
Calomel and Potassium Bromide.....	6	
Camphor.....	177	
Canadian Castoreum.....	30	
Carbolic Acid, Note on.....	347	
Caspari, Chas., jr.....	344	FOLIO
Castor Oil is not Poisonous.....	264	
Cellulose and some of its more Recent Applications.....	261	
Cellulose, Notes on the staining of.....	401	
Chapman, W. H.....	46	
Chemists' Assistants' Association.....	29	
Chemistry in Relation to Pharmac Therapeutics and Materia Medica.....	97	
Chemists' Life in Berbice, British Guiana.....	138	
Chemical and Pharmaceutical Signs and Symbols.....	329	
Chemical importance of the Ptomaines in Medicolegal Analysis.....	374	
Chicago College of Pharmacy.....	56, 58	
Chlorine.....	55	
Chrysarobin or Goa Powder.....	371	
City Drug Clerk, The.....	309	
City Items.....	64	
Cocaine, The Preparation of.....	302	
Codeine Salts.....	91	
Codeine Sulphate with Hydrobromic Acid.....	395	
Cod Liver Oil, New Light on.....	419, 432	
Cod Liver Oil Emulsion, Estimation of.....	347	
College Announcements received.....	170	
Coloring Matter by Microbes, The Formation of.....	30	
Compressed Tablets, Estimation of.....	347	
Connecticut Pharmaceutical Association.....	393	
Contant, Joseph.....	89	
Contribution to the History of Kola, A.....	120	
Copra Oil for Suppositories.....	179	
Correspondence.....	41, 170, 254, 280	
Corrigendum.....	255	
Cotton Seed Oil, Where it goes to.....	13	
Covernton, C. J.....	18	
Cream of Tartar in Alcohol, The solubility of.....	139	
Crude Carbolic Acid.....	64	
Cubic Centimeter, How much is a.....	157	
Customs Bungling.....	389	
D		
Dangerous Incompatibles.....	79	
Dermol, Another Dermic.....	208	
Desrosiers, Dr. H. E.....	132	
Diet Chart for Fat People.....	267	
Diphtheria Antitoxine, What is.....	217, 218	
Dispensing Methods.....	34	
Dispensing by Physicians.....	145	
Doctors' Black List.....	253	
Doses for Pharmacists.....	162	
Dose for Children, To ascertain.....	432	
Drug Journal, Practical Value of.....	141	
Druggists' Bogie Man.....	173	
Drug Grinding.....	331	
E		
Economic Botany.....	110	
Editorial.....	1, 2, 3, 38, 45, 50, 73, 86, 108, 109, 124, 132, 144, 145, 173, 181, 217, 233, 253, 255, 258, 269, 296, 319, 325, 326, 327, 361, 362, 363, 397, 398, 408	
Electrolytic process in making Caustic Soda and Bleach.....	13	
Electrical heat in the Chemical Industries.....	134	
Elixir of Iron Phosphate, Quinine and Strychnine.....	212
