The "STAR" Hot Water Heater

Is now the most perfect one on the market, being the only Heater provided with a

Patent Syphon Injector *(a new feature)*

Which enables it to heat on its own level, and a double base with a

Patent Eccentric Moving Ash Sifter

No more ashes spread on the floor and soiling the sections of the Heater. The same handle shaking the grate and sifting the ashes at the same time with closed doors

A child can do the work. Please call and see it or write for further information
