CATARRH-A NEW TREATMENT.

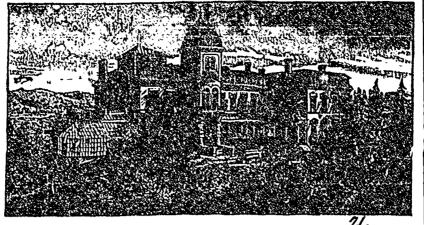

CATARRH—A NEW TREATMENT.

Perhaps the most extraordinary success that has been achieved in modern medicine has been attained by the Dixon treatment for Catarrh. Out of 2,000 patient treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per ent-of the patients presenting themselves to be fix ulain practitioher are benefitted, while the patient medicines had other advertised cures never record a cure at ally Starting from the claim now generally beliefed by the most scientific men that the disease is die the parameter of living parasites in the tissues, Mr. Dix the most scientific men that the disease is die the parameter of living parasites in the tissues, Mr. Dix the most scientific men that the disease is die the parameter of living parasites in the tissues, Mr. Dix the most scientific men that the disease is die the parameter of living parasites in the tissues, Mr. Dix the most scientific men that the disease is die the parameter of living parasites in the tissues, Mr. Dix the most four years see are cures still. No one else has attempted to cure Catarrh in this manner, and no other treatment has ever cured Catarrh. The application of the remedy is simple and can be done at home, and the present season of the year is the most favour able for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferer should correspond with Mestre. A. H. DIXON & SON, 305 King street west, Toronto, Canada, and enclose stamp for their treatise on Catarrh.—Monetreal Star.

BRANTFORD LADIES' COLLEGE AND' CONSERVATORY 704 MUSIC

has the best university record of any ladies college in Canada. Thirty-four of its students have been success ful at the Toronto University Local Examinations, nearly all of them taking honours. There are two distinct departments in Music—one for Instrumental Music, the other for Voice Culture, each having its own Professor, with assistants. The Art department will still be under the immediate direction of Henry Martin A.R.S.A. The grounds are extensive and well shaded. The building, are capacious, the rooms well fur nished and home-like. Fees moderate for the advantages afforded. For Calendars, apply to

Prepare for the Enemy.

The countries where Cholera prevails,

as in India, China and Africa, Pain-Keller is considered the surest and safest of all known remedies and the natives place the most perfect reliance in it.

Read the following extract from the letter of a mistionary in China

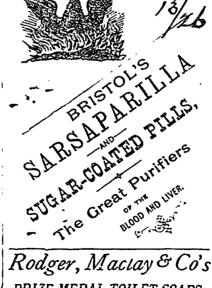

Dark Sias:—I ought to have acknowledged long ago the box of Pain-Killer you had the goodness to send me last year. Its coming was most providential. I be been housdreds of lives were baved, under God, by it. The Cholera appeared here soon after we received it. Wo resorted at coto to the PAIN-KILLER, using as directed for Cholera. A list was kept of all the back, whom the Pain-Killer was given, and our native assistants assured in that eight out of every ten to whom it was prescribed, recovered.

Believe me, dear sirs, gratefully and faithfully yours.
