conditions

In some conditions the gain from the use of **Scott's Emulsion** of cod-liver oil is rapid. For this reason we put up a 50c. size, which is enough for an ordinary cough or cold or useful as a trial for babies and children. In other conditions gain must be slow, sometimes almost imperceptible, health can't be built up in a day. For this **Scott's Emulsion** must be taken as nourishment, food rather than medicine, food prepared for tired and weak digestions.
