 A permanent home, where every manufacturer can exhibit and sell his goods, and every patron can show his invention; a centre of industry which will prove a vast benefit to the whole country.

For this purpose the Legislature of the State of New York has granted a charter to a number of our most wealthy and respectable merchants, and these gentlemen have purchased no less than eight blocks of the most valuable land in the City of New York. The building to be erected will be seven stories high (150 feet in height) surmounted by a magnificent dome, and will cover a space of 22 acres. It will be constructed of Iron, Brick and Glass, and made fire-proof. The bonds which are all for \$20 each, are secured by a first mortgage on the land and building, and for the purpose of making them popular, the directors have decided to have quarterly drawings of \$150,000 each; this money being the interest on the amount of the whole loan.

Every bondholder must receive at least \$21.00, but he may receive

GOVERNMENT HOUSE, OTTAWA.

Friday, 15th day of January, 1875.

PRESENT:

**HIS EXCELLENCY THE GOVERNOR**  
**GENERAL IN COUNCIL.**

**WHEREAS** it has been represented that large importations of Coal Oils are continually taking place at various ports in the Dominion, samples of many of which will not stand the fire test required by the Inland Revenue Act, 1854, and amendments thereto; also that large importations of certain products of Petroleum, such as Gasoline, Benzine and Benzole are being made, such articles being very explosive and dangerous at a very low temperature.

His Excellency, on the recommendation of the Honorable the Minister of Customs, and under the provisions of the 17th section of the Act passed in the session of the Parliament of Canada, held in the 31st year of Her Majesty's reign, chaptered 59 and intitled: "An Act to increase the Excise duty on spirits, to impose an excise duty on refined Petroleum, and to provide for the inspection thereof," has been pleased to order, and it is hereby ordered, that with a view to the better regulation of the foreign Petroleum trade, and the security of the lives and property of Her Majesty's subjects, the following regulations be and they are hereby adopted and established, that is to say:—

1. From and after the date hereof, the officers appointed to gauge and test spirituous liquors, wines, &c., at the respective ports of Toronto and Hamilton in Ontario; the Port of Quebec, in Quebec; the Port of St. John, in New Brunswick; and the Port of Halifax, in Nova Scotia, shall be and they are hereby appointed Inspectors of Imported Refined Petroleum at those Ports respectively; and that the respective Collectors of Customs and Sub-collectors of Customs at all other ports and out-ports in Canada, shall be and they are hereby appointed Inspectors of Imported Refined Petroleum at their respective ports and out-ports, with power to employ in the actual process of testing such oils any officer or officers under their respective surveys whom they shall consider competent for that purpose.

2. That the instrument to be used for testing all imported refined petroleum shall be the "Coal oil Pyrometer," made by Charles Potter, Toronto, Ontario, and all such petroleum as will not stand the fire test of 165 degrees, as required by said Pyrometer, as required by section 2 of chapter 15 of 21 Victoria, when used according to the instructions accompanying the same, shall be dealt with as may be ordered by the Minister of Customs in each case.

3. That every package of imported Refined Petroleum, inspected as before provided, shall be legibly marked or stamped in such manner as the Minister of Customs may direct.

4. That no imported refined Petroleum, which will not stand the said Test, whether designated as "Coal Oil," "Naphtha," "Benzine," "Benzole," "Paraffine" or other oil or fluid, distilled, manufactured or produced by any process or treatment whatever, shall be admitted to entry for consumption or Warehouse in Canada, unless the Importer shall have produced a license from a Collector or other proper Officer of Inland Revenue, authorizing him to import and keep the same on hand.

**W. A. HINSWORTH,**  
 Clerk, Privy Council.
