"The Old Testament Under Fire."

STAUNCH WORDS ON VITAL TRUTHS.

By A. J. F. Behrends, D.D., S.T.D.

Pastor Central Congregational Church
of Brooklyn, N.Y.

A short but serious discussion of the claims and conclusions of the new Biblical criticism, and of the assumptions upon which the conclusions are made to rest. It does not enter into minute details which can only be appreciated by technical scholarship, but it is addressed to all those who, while they may not be Hebraists, are practical logicians.

FROM THE PREFACE.

"The several papers were prepared for audiences composed of intelligent and thoughtful men and women, who were fully competent to follow a close and searching argument, so long as the discussion was not swamped by technical details. To such readers, clerical and lay, they are submitted. Only the salient points are considered. The free conversational style has been retained, as best suited to the purpose which the author had in view."
