HORSE

Send 15 cent TO THIS OFFICE for a copy of a new HORSE BOOK which treats all diseases of the horse, and is thoroughly illustrated with 65 Fine Engravings which illustrate the position assumed by sick horses better than can be taught in any other way. It has a large number of valuable recipes, most of which were originated by Dr. J. Kendall, M.D., the author and never before put in print. It is pronounced the best book ever published for the price, and some prominent horse men have said they preferred it to books which cost \$2.00 to \$11.00. Address
